**COURT ORDER OF MAGISTRATE-JUDGE  
ELOY VELASCO NUÑEZ**

In MADRID on October 18, 2010

Upon examination of the matter; and before resolving on the matter posed in the preliminary report dated April 7, 2010 (folio page 164) and April 29, 2010 (folio page 270), referring to the continuation of this investigation, and in view of the status of these proceedings, steps 1, 2, and 3 are to be carried out as requested on page 200/201 by the court representation of the Association for the Dignity of Male and Female Prisoners of Spain; those requested as No. 4 and 5 are to remain pending for now until a decision is rendered on the admission or not of the complaint, for they would be conditioned in turn by what is set forth in court order on May 4, 2009 (folio page 123), on whose effects and as requested by the Office of the Public Prosecutor (folio page 272); the urgency of compliance with the Letter Rogatory sent to the USA must be kept in mind.

Sent and signed by the court, in witness whereof.

**PROCEDURE.** What is ordered is carried out at once. In witness whereof.
