Dear Ms. Gallagher:

This responds to your September 9, 2010, Freedom of Information Act (FOIA) appeal regarding the United States Central Command (USCENTCOM) initial no records determination, dated July 12, 2010.

USCENTCOM conducted another search and located additional records that may be responsive to your initial request. Therefore, I am remanding this request back to USCENTCOM to reopen your initial request and make a releasability determination regarding the newly located documents. This action closes your appeal. However, please be advised that USCENTCOM will give you new appeal rights if it is determined that any information is exempt from disclosure.

Sincerely,
