(U) Lebanese Reaction to Gaza Flotilla Violence. 31 MAY, Lebanese press: Thousands of Palestinian activists gathered in Beirut, Tripoli, and Sidon to protest Israel's interdiction of an aid ship bound for Gaza. Protestors burned Israeli flags, waved banners, and chanted "death to Israel." Lebanese political leaders firmly denounced the attack, calling it a "criminal act and massacre," and encouraged the international community to call an emergency meeting of the UN Security Council. Lebanese political groups planned an additional protest for 1 JUN to show solidarity with the Palestinians. Hizballah also released a public statement following the incident, calling Israeli action against the ships a "terrorist act that deserves international punishment." **Analyst Comment:** Lebanese political leaders and citizens are united in their condemnation of Israel. We expect additional protests to occur in the Palestinian refugee camps in Lebanon. Minor security incidents are possible.

Beirut Al-Manar Channel Television in Arabic at 1336 GMT on 3 June begins to carry live relay of a ceremony held at the Al-Risalat Hall in Beirut in commemoration of the 21st death anniversary of late Iranian Imam Khomeyni.

The ceremony begins by playing the Lebanese and Hizballah's national anthems.

The ceremony is attended by Hizballah officials including Muhammad Ra'd, head of The Loyalty to the Resistance Bloc; and Shaykh Muhammad Yazbik, chairman of Hizballah's Shari'ah Commission, as well as Hizballah ministers and deputies. Hizballah Deputy Secretary General Na'im Qasim was not observed to attend the ceremony.

The attendees also include Minister of Agriculture Husayn al-Hajj Hasan, representative of Lebanese President Michel Sulayman; Amal Party member Khalil Hamdan, representative of Speaker Nabih Birri, and Sports and Youth Minister Ali Abdallah, representative of Prime Minister Sa'd al-Hariri, in addition to a number of clerics and military officials.

The master of ceremonies then begins to greet the audience, glorifying late Imam Khomeyni and his personality and traits.

At 1342 GMT, Iranian Ambassador to Lebanon Ghadanfar Rokon Abadi takes the floor.

After hailing the late leader and imam, Abadi says that “we in the Islamic Republic of Iran stress our right to the full utilization of nuclear energy for peaceful purposes in order to achieve social and economic welfare. This is a legitimate right to all nations recognized by the laws of the IAEA.” He adds that “neither intimidation nor sanctions” will weaken the Iranian resolve, noting that the

world is dealing with Iran in "double standards" due to its adherence to its right to nuclear energy, while turning a blind eye to the nuclear arsenal of "the Zionist enemy," which did not sign the NPT treaty.

Abadi expresses solidarity with the Palestinian people in Gaza and calls on the international community "to adopt a strict stance against the state terrorism, embodied by the Zionist entity in its recurring hostile crimes." Abadi also reiterates Iran's support for Lebanon in the face of "the ongoing threats by the Zionist enemy, its continuous violation of Lebanese sovereignty, and its continuous occupation of parts of southern Lebanon." He stresses "the right of the Lebanese people to defend their honor, sovereignty, and water through their unity and rallying around their national right to assert their sovereignty over the entire Lebanese territories."

At 1352 GMT, Khalil Hamdan, representative of House Speaker Nabih Birri, takes the floor to deliver Birri's speech.

Hamdan hails the late imam and the Islamic Revolution, reminding of what Imam Khomeyni said to the effect that Israel "is a cancerous gland that should be removed."

Hamdan then attacks the Israeli attempts to Judaize Palestinian territories as well as Muslim and Christian holy places.

Hamdan says that such Israeli actions make every Arab person responsible for removing "this cancerous gland and absolute evil;" namely Israel.

Hamdan hails Turkey for dispatching the Freedom Flotilla, which was sent to save, rescue, and offer support for the people of Gaza.

Hamdan calls for lifting the siege on Gaza and fully condemning Israel. He praises the Syrian, Turkish, and Iranian stands toward the Palestinian cause.

Hamdan then hails the resistance in Lebanon, noting that "abandoning the resistance is tantamount to offering a free service to Israel."

At 1410 GMT, Shaykh Abd-al-Amir Qabalan, vice president of the Higher Shiite Islamic Council, takes the floor.

Qabalan hails the late imam and the Islamic Revolution, saying that the Islamic Revolution has been "a landmark of Islamic development."

Qabalan then quotes Khomeyni as saying that "Israel is a germ, or a cancerous gland; hence, we should control this gland by injections that prevent it from expanding and spreading."

Qabalan condemns the Israeli act of "piracy" in the international waters, expressing thanks to Turkey and the Islamic Nahdah [development] in Turkey for embodying Islamic ethics and dignity.

At 1419 GMT, Reverend Antoine Daw, secretary general of the Episcopal Council for Islamic-Christian dialogue, takes the floor to deliver Cardinal Butrus Nasrallah Sfayr's speech.

Daw begins by saying that the papal nuncio in Turkey was assassinated in reaction to the Freedom Flotilla, Turkey, and to the Christian-Islamic relations. He adds that "this struggle in the East is a Zionist struggle against Christianity and Islam."

Daw calls for renewing the national and Islamic unity in the whole world, hailing Khomeyni's teachings which called for boosting values, ethics, freedom, just, peace, and love among the peoples of the world.

Daw then condemns the Israeli "act of aggression against the peace activists aboard the Freedom Flotilla," who "braved death to remind the international public opinion of the need to lift the siege on the Palestinian people who have been besieged in Gaza since 2006."

Daw then praises the values of the Islamic Revolution saying that they are "humanitarian, civilized, and institutional values that uplifted the Iranian state to the level of important regional states that compete on the technological, informational, and technical levels."

At 1440 GMT, Hizballah Secretary General Hasan Nasrallah then starts to give a speech via a giant screen.

He begins by greeting the audience and glorifying late Imam Khomeyni and his personality and traits. He also offered condolences over his death anniversary to the supreme Iranian leader Ali Khamene'i, the religious authorities, and the government, president, and people of Iran.

Hizballah Secretary General Hasan Nasrallah

achievements made by him is "the revival of the set of divine, prophetic, Islamic, humane, and ethical values in the lives of human beings, peoples, and nations."

Nasrallah talks about the "achievements" of Imam Khomeyni, saying that the most important

He notes that many people were "inspired" by the revolution, experience, and values of Imam Khomeyni in facing their "challenges, tyrants, and difficult circumstances."

Nasrallah adds that the imam "revived in us and in this ummah the culture of jihad, the culture of facing the tyrants and oppressors" and that he also revived "even the culture of martyrdom-seeking for the sake of the causes of our ummah and our sacred causes."

He notes that the late imam "held the tyrants and haughty powers, the foremost of which is what he truly used to call the great Satan, the US Administration, responsible for all the oppression, tyranny, deprivation, and coercion from which our nations and the oppressed and wronged nations of the world were suffering from."

Commenting on the Israeli attack on Freedom Flotilla, Nasrallah praises "the courage, steadfastness, truthfulness, sacrifice, and the high sense of responsibility expressed by all the participants in the Freedom Flotilla, which was bound to break the inhuman siege imposed on the Gaza Strip."

Nasrallah praised the activists for demonstrating "patience, steadfastness and firm belief in the rightfulness of they are doing" in the face of the Israeli "attacks, piracy, and criminality, killing, detention, and torture."

Nasrallah concludes his speech by extending an invitation to all the Lebanese, Palestinians, and all Arab and Islamic communities in Lebanon to take part in a festival in solidarity with the

Palestinian people in Gaza and "all the heroes of Freedom Flotilla" that will be held on at 1730 GMT 4 June, during which he will give another speech.

OSC/JN plans to text the 29-minute speech by Secretary General Hasan Nasrallah at priority precedence to clear by 1500 GMT on 4 June.

OSC/JN will also be adequately staffed to cover his upcoming 4 June speech and file FYI/s as warranted including processing plans.

Free Palestine Movement head Yasser Qoshlok called on "all those who consider themselves free' to participate in this convoy," which he dubbed "the Najj al-Al Fleet to break the siege on the children and the people of Gaza." Qoshlok said the convoy will carry assistance and educational materials for Palestinian children, in addition to journalists who will cover the humanitarian crisis in Gaza. Thaar Ghandour, speaking for Reporters Without Limits, said the ship would carry 50 journalists and 25 European activists including European MPs.

The Israeli media on 28 May continues to report on Israel's preparations for blocking the IHH flotilla that sailed out from Istanbul en route to break the siege on the Gaza Strip.

Armed Commandos Set To Intercept Flotilla, Cyprus Won't Let Ships Anchor

(Attachment not included: GMP20110426738011001.jpg) Haaretz map shows route of aid flotilla heading for Gaza Strip

Tova Lazaroff reports in right-of-center, independent Jerusalem The Jerusalem Post Online in English: "Navy commandos will board the nine international aid ships sailing toward Gaza City if they don't turn back, and the commandos will be armed in case terrorists are hiding aboard, defense officials said on Thursday.

The ships are scheduled to try to break the Israeli blockade on the Gaza Strip on Saturday. They are carrying around 750 activists, including diplomats and journalists, as well as about 10,000 tons of supplies. Top IDF officers said on Thursday that the navy will not 'take any chances' if and when it boards the ships, and will immediately inspect them for explosives, including using bomb-sniffing dogs from the IDF's Oketz K9 Unit. The navy plans to board the ships if they refuse to turn around.

"The ships will receive a number of warnings from the navy as they begin to make their approach to the Gaza Strip, starting from a distance of about 65 kilometers. If the ships are commandeered, they will be sailed to the Ashdod Port, where the government has set up tents to hold the activists. The activists will be taken into the tents for identification and medical attention, and asked to leave the country voluntarily. If they refuse, they will be arrested and transferred to the custody of the Prisons Service and the Interior Ministry. Foreign Ministry officials will be present to handle the diplomats who are on board the ships, while representatives of the Government Press Office will be responsible for the journalists."

"IDF sources said the military was planning on not having to use any force during the operation but was prepared for any scenario that could develop, including the possibility that the ships have been rigged with explosives by terrorists. 'Until we are on board, we will not know for sure who and what are on the ships,'

a senior officer said. The operation will involve thousands of IDF and security personnel, including a number of elite units, trained in non-lethal crowd dispersion tactics that will be used, if needed, when boarding the vessels.

"Late Thursday evening, Cypriot officials assured Israel that Cyprus would not let the flotilla anchor near its shores, sail in its territorial waters or use its ports."

IDF Worried About Rioting in Holding Areas After Disembarkation

(Attachment not included: GMP20110426738011002.jpg)

Israeli Navy boats invite flotilla for cake and coffee "at Ma'asiyahu Prison" (Haaretz cartoon by Eran Wolkowitz)

Anshel Pfeffer and Yuval Azulay report in left-of-center, independent Tel Aviv Haaretz.com in English: "Defense sources expressed concerns about rioting in the holding area, so this space will be off limits to the media.

There are also worries that the activists, to make it difficult to expel them, will destroy their passports and refuse to identify themselves."

Israeli Advocacy Group To Greet Flotilla With Own Demonstration

Zoe Fox reports in The Jerusalem Post Online: "The European 'Freedom Flotilla' making its way to Gaza bearing humanitarian aid and activists may have a surprise waiting when it reaches Israel's southern waters on Friday. Israel advocacy group StandWithUs plans to greet the European convoy with its own demonstration at sea. A fleet of privately owned Israeli boats will leave the Ashdod and Herzliyya marinas in hopes of surprising the European activists Friday at 1 p.m.

"The counter-flotilla ships will be covered in 'Free Gaza From HAMAS' banners and boat owners will wear bloodstained T-shirts, representing HAMAS's terror record. StandWithUs and individual donations will fund the demonstration. 'What the other anti-Israel flotilla is doing is ignoring human rights abuses and focusing on a fake situation,' Michael Dickson StandWithUs's Israel director, told The Jerusalem Post Thursday. Dickson believes the European activists care more about hurting Israel than helping the Palestinians in Gaza."

Complex System of Mideast Alliances Seen Emerging, Turkish Group Involvement Not Coincidental

Amos Har'el and Avi Issacharoff report in left-of-center, independent Tel Aviv Haaretz.com in English: "This will not be the first time the navy has had to take over such ships trying to make their way to the Gaza Strip, but this time the flotilla is larger than before. In previous cases, the government of Ehud Olmert allowed ships to enter the Gaza Strip. A year ago, under Binyamin Netanyahu, a ship was stopped by force and its crew was arrested and deported. This time the confrontation is expected to be larger, louder and will require more careful and professional handling under the guidance of the top military brass.

"In the approaching clash, the complex system of alliances and counter-alliances of the Middle East is beginning to emerge. It does not appear to be coincidental that the Islamist governing party in Turkey is involved behind the scenes, in dispatching the flotilla, in coordination with HAMAS in the Gaza Strip. At the same time it is doubtful that it is coincidental that

the Israel Air Force held this week exercises with Greece, the traditional rival of Turkey, of the sort that two years ago were carried out mostly in Turkey.

"The flotilla is not expected to alter in any substantial way the humanitarian situation in the Gaza Strip. It is mostly a battle of public relations that is meant to strike a blow at Israel. Perhaps if Israel was less eager to confront the activists, some of the media attention would have dissipated. Had the flotilla been allowed in, HAMAS would have its day, and the entire affair would evaporate quickly.

"However, the basic problem faced by Israel goes far beyond this flotilla. The international community blames Israel for all the problems in the Gaza Strip -- more or less. If in the West Bank the occupation is the source of all evil, then in the Gaza Strip the Israeli siege of the territory is considered to be the central problem."

**READ AHEAD FOR ASSISTANT SECRETARY OF DEFENSE FOR
INTERNATIONAL SECURITY AFFAIRS**

Meeting with **MG Gadi Shamni, Israeli Defense Attaché**
Addressed as: **General Shamni**
Tuesday, June 1, 2010, 1600-1645, 3C889

FROM: Colin Kahl, Deputy Assistant Secretary of Defense (ISA/ME)

Host: (U) You will host the meeting with MG Shamni (bio at Tab B).

Issues: (U) Shamni has requested to brief you on recent Israeli actions against the flotilla of six maritime vessels that were headed for Gaza, including Mavi Marmara, in an effort to break the blockade and to carry aid to Gaza.

Desired Outcome:

- (U) Convey that the U.S. will examine all of the facts before making a judgment about the situation.
- (U) Obtain additional clarification regarding Israeli actions.

Attendees: (U)

DoD: ASD (ISA) Vershbow; DASD (ISA/ME) Kahl; Brig Gen Mike Holmes; ME Director Pat Antonietti; Israel Country Team Eric Lynn and Dave Wiltse

Israel: MG Shamni; CAPT Yoram Laks (Israeli Naval Attaché); MAJ Oron Mincha

Recommendations: (U) Use talking points at Tab A, if desired.

Relationship History: (U) You last met with MG Shamni on April 27 at the SecDef-MoD Barak meeting. The DPAG, co-chaired by USDP and Director General Shani, will be in Tel Aviv June 22-24.

Background: (U) On Monday, May 31 Israeli Naval Forces (INF) interdicted six vessels with pro-Palestinians activists attempting to break the Israel blockade and deliver aid to Gaza. Israel instructed the six vessels to divert to the southern port of Ashdod

where their cargo would be offloaded and it would be determined which cargo could be delivered overland to Gaza following inspection for weapons or dangerous material. Five vessels complied with IDF orders at sea and diverted to Ashdod. The Mavi Marmara refused.

- (U) Israel has been strictly enforcing its blockade of Gaza since 2009.
- (U) Before boarding the ships, the INF repeatedly asked the ships to divert to Ashdod and offered to transfer the cargo to Ashdod and then to Gaza.
- (U) After INF requests for the vessels to stop were rejected, elite INF units from Flotilla 13 were ordered to take control of the vessels. INF fast-roped from helicopters onto all six boats simultaneously in international waters at approximately 0400. The interdiction took place approximately 60 miles off Israel's coast.
 - (U) As the INF commandos fast-roped onto the Mavi Marmara, a riot occurred during which the commandos, armed with paintball guns and side arms, were attacked with knives and beaten with metal pipes. In the ensuing action, nine activists were killed, several dozen wounded, and approximately six INF personnel injured. Israel has provided medical attention to all individuals who were injured.
- (U) The GoI has stressed the link between IHH (Insani Yardim Vakfi - Turkish Humanitarian Relief Fund) and the Muslim Brotherhood who both emphasized clear action on the part individuals on Mavi Marmara to incite violence. Bulent Yildirim, head of IHH, said on May 30, that "We will definitely resist, and we will not allow the Israelis to enter here ... If Israel wants to board the ship, it will meet strong resistance."

Fallout: International condemnation has been swift and harsh against Israel.

- ~~(C)~~ Israel reports that there has not been a significant increase in activity on its borders or in Gaza. Two rockets were fired from Gaza into southern Israel today (Tuesday) and the Israeli Air Force (IAF) responded with retaliatory fire at the launch site. Some minor incidents have occurred including Israeli Arabs throwing stones at Israelis and an Israeli Arab protest is expected today. As of now, the West Bank remains quiet.
- (U) Open source reports that an air exercise that has been taking place in Crete with the Greeks has been stopped and the Greeks have asked the IAF to leave.

- (U) Several Israeli embassies and consulates have reported significant protests or violence against them including the Israeli embassy in Paris and the consulate in Istanbul.

(b)(1),Sec. 1.4(d)

- (U) On Monday, the UN Security Council emergency session called for a transparent investigation, but not/not an independent investigation or condemnation at this time. USUN supports this approach.

Israeli Response

- (U) The Israelis say they will conduct a full investigation into the incident. Today, PM Netanyahu returned to Israel to conduct a Cabinet meeting on the events of yesterday, continued decisions to be made with regard to the detained people and the ships, and future vessels headed to Gaza.

(b)(1),Sec. 1.4(b),Sec. 1.4(d)

- (U) Two more ships are said to be headed to Gaza with a similar purpose. Shani stated that the Cabinet would also decide how to deal with these, but he was not sure if they would continue their mission to Gaza.

Issue Summary:

Mavi Marmarra Boarding Incident – May 31

- (U) On Monday, May 31 Israeli Naval Forces (INF) interdicted six vessels with pro-Palestinians activists attempting to break the Israel blockade and deliver aid to Gaza. Israel instructed the six vessels via loudspeakers to divert to the southern port of Ashdod where their cargo would be offloaded and delivered overland to Gaza following inspection for weapons or dangerous material.
- (U) After INF requests for the vessels to divert to Ashdod were rejected for two hours, elite INF units from Flotilla 13 (Israel’s Naval Commando Unit) began an operation to take control of the vessels. INF fast-roped from helicopters onto all six boats simultaneously at approximately 0430 L. The interdiction took place approximately 60 miles off Israel’s coast.

(b)(1), Sec. 1.4(b)

- (U) Once INF were aboard, five vessels complied with INF orders at sea and diverted to Ashdod. The Mavi Marmara, a Turkish flagged ship with over 500 passengers aboard, refused.
- (U) As the INF commandos fast-roped onto the Mavi Marmara, they were attacked with knives and beaten with metal pipes. The INF soldiers were armed with non-lethal weapons, such as paintball guns and tear gas, and holstered pistols for self defense. Israel claims the attackers were mercenaries who were looking for a fight

and were equipped with gasmasks and weapons and several possessed large amounts of cash.

- (U) In the ensuing melee, nine activists were killed, several dozen wounded, and approximately six INF personnel injured. Israel has provided medical attention to all individuals who were injured.
- (U) The GoI has stressed the link between IHH (Insani Yardim Vakfi - Turkish Humanitarian Relief Fund) and the Muslim Brotherhood and claims that certain individuals on Mavi Marmara incited the violence. Bulent Yildirim, head of IHH, said on May 30, that "We will definitely resist, and we will not allow the Israelis to enter here ... if Israel wants to board the ship, it will meet strong resistance." This warning raises the question of why the INF appeared ill-prepared to face such resistance.

Fallout:

- ~~(C)~~ International condemnation has been swift and harsh against Israel.
- ~~(C)~~ Israel reports that there has not been a significant increase in activity on its borders or in Gaza. Two rockets were fired from Gaza into southern Israel Tuesday and the Israeli Air Force (IAF) responded with retaliatory fire at the launch site. Three Palestinians in Gaza were killed in the strike and two others killed in a ground confrontation. Some minor incidents have occurred including Israeli Arabs throwing stones at Israelis and an Israeli Arab protest is expected today. As of now, the West Bank remains quiet.
- (U) Open sources report that an air exercise that has been taking place in Crete with the Greeks has been stopped and the Greeks have asked the IAF to leave.
- (U) Several Israeli embassies and consulates have reported significant protests or violence against them including the Israeli embassy in Paris and the consulate in Istanbul.
- ~~(S)~~ The most concerned response has come from Turkey. Turkey immediately recalled its Ambassador to Israel. Preliminary reports from NATO indicate that the Turks are considering bringing this issue up at the next North Atlantic Council (NAC).
 - (U) Turkish Foreign Minister Davutoglu exemplified the Turkish overreaction to this incident when he stated that "this attack is like 9/11 for Turkey."

(b)(1), Sec. 1.4(d)

- (U) On Monday, the UN Security Council emergency session called for a transparent investigation, but not/not an independent investigation or condemnation at this time. USUN supports this approach. The PC will discuss options for international participation in the investigation. (See State Paper that will arrive as an addendum Thursday).

Israeli Response

- (U) The Israelis say they will conduct a full investigation into the incident. PM Netanyahu returned to Israel from Canada to conduct Cabinet meetings to decide their way ahead regarding the detainees, the ships held, and the other ships heading for Gaza.
- ~~(S)~~ Israel decided to acquiesce to four Turkish demands with caveats. The four requests include: (1) release the wounded; (2) send the bodies back to Turkey; (3) release the detainees; and (4) release the ships.

General Guidelines:

Recommend a consistent, process oriented, approach when dealing with dignitaries.

Not all visits require the same "standardized" approach. The following template may alleviate confusion and awkward situations:

- Arrival: Greet at the River Entrance
- Photo-op: Location TBD
- Gift exchange: (if initiated by visiting dignitary)
- Private Office Call:
 - A courtesy *if* time permits -- should not be assumed for all visits -- may be employed to enhance relations.
- Allows the delegation and OSD staff, to get situated for the meeting
- Meeting/Plenary: Conference room (b)(6)
- Lunch: (recommended if appropriate -- generally only for the first official visit)
- Farewell: The Secretary or Deputy Secretary will normally escort the visitor to the River Entrance
- Dinner: (recommended if appropriate -- generally only for the first official visit)

While all visits are unique, the attached checklist will be beneficial in the planning and preparing schedule proposals.

Once an official visit is scheduled, OSD protocol will coordinate a meeting between the desk officer, executive agent (if assigned) security and protocol. During the meeting the following will be addressed:

- Requirement for Letter of Welcome (official visit only)
- Translation/interpretation requirements
- Dietary considerations
- Complete itinerary (Non-DoD meetings -- White House, State Department, NSC...)
- Names and phonetic spelling of the delegation

Please contact the Secretary of Defense Office of Protocol with questions - (703) 692-7160.

Note 1: Honors:

- The status of the visit (official or unofficial) and the position of the visiting foreign dignitary determine honors rendered.
- A visit is determined to be "official" when the President, Secretary of State, Secretary or Deputy Secretary of Defense have extended an invitation.
- A visit is considered "unofficial" if no formal invitation has been extended.
- In general honors rendered to foreign dignitaries are either a Full Honors Arrival Parade or an Honor Cordon.
- Full Honors Arrival Parade is rendered for Chiefs of State, Heads of Government and Ministers, and Deputy Ministers, of Defense (MOD) on their first "official" visit.
- The Full Honor Arrival Parade, on the Upper River Parade Field, consists of all or part of the following (Chiefs of State and Heads of Government differ slightly from Ministers):
 - Ruffles and flourishes and a gun salute
 - Inspection of troops
 - National Anthems (visiting country followed by the U. S. National Anthem)
 - Fife and Drum troop and review (Chief of State and Heads of Government)
- An Honor Cordon is rendered for "unofficial" visits *or* if the visitor has previously visited the current administration.
- Ministers of Foreign Affairs warrant an Honor Cordon.
- Unless specifically *not* recommended, Honors should be rendered.

Note: Exceptions are made to the type of honors rendered for Chiefs of State and Heads of Government at the requests of the President.

Note 2: The tables in the Secretary and Deputy Secretary's office can comfortably sit six - eight if necessary. Attendees generally include three to four from OSD (SecDef, Senior Policy rep plus CJCS, DepSec and/or the Ambassador as appropriate) and three to four from the visiting delegation.

- For office calls and private meetings fewer attendees are better.
- If necessary, interpreters may be seated behind the principals.

Meetings/Plenaries may be conducted in (b)(6) (SecDef dining room), (b)(6) (SecDef conference room) or (b)(6) (DepSecDef conference room).

- The SecDef conference room is equipped for simultaneous interpretation.
- When translation is required, a qualified State Department interpreter will be present to translate for the Secretary and U.S. delegation.

Note 3: Participation should be limited to those persons required to accomplish the meeting agenda/objective -- including a note taker.

- Policy will recommend, based upon the agenda, attendance by the Deputy Secretary and/or the Chairman/Vice Chairman of the Joint Chiefs of Staff the Deputy Secretary.

Note 4: Gift exchanges are traditionally initiated by the Visiting Dignitary - protocol does not encourage or solicit gift exchanges but it is important to know if a visitor is presenting a gift so the Secretary is prepared to reciprocate.

- Gifts can be exchanged in several different ways, two common methods are presentation style (principal to principal) or behind the scenes (protocol to protocol).

No, Sir. As of now, SecDef is scheduled to be at the White House at that exact time. Please let me know if 1000-1045 that same morning might work; we will have to adjust an important meeting that has been on the calendar for quite sometime to accommodate. Again, please advise prior to locking-in anything. Thank you.

MoD Barak is meeting UN SecGen Ban Ki-Moon in New York at 1500 so he will not/not be able to meet with SecDef at 1515. He needs to travel to New York for this meeting, Is 1100 possible for SecDef meeting?

Policy:

SecDef agreed to meet with MoD Barak (Israel).

Policy poc: (b)(6) ISA Middle East, (b)(6), (b)(6)

Concerning SecDef's schedule for Monday, June 21, as proposed; we might be able to try to schedule (T) 1515-1600 (FDUSDP). For a morning option, we would need to make a serious calendar adjustment. If this time does not work well for MoD Barak, please let me know and we could try to look for some other option. Also, please advise us prior to locking-in with the Israelis; and, once a tentative, mutually convenient date/time is been approved, we will then send a confirmation notice to all-hands.

TEXT: 1. (U//FOUO) EXECUTIVE SUMMARY. THE ENCLOSURE IS AN ARTICLE PUBLISHED BY DR. OSMAN FARUK ((LOGOGLU)), A BOARD MEMBER OF THE STRATEGIC STUDIES CENTER OF THE TURKISH MINISTRY OF FOREIGN AFFAIRS AND A MEMBER OF THE TURKEY CHANGE MOVEMENT (TURKIYE DEGISIM HAREKETI). THE ARTICLE DETAILS HOW THE STRATEGIC LINK BETWEEN TURKEY AND ISRAEL HAS BEEN BADLY BROKEN TO THE DETRIMENT OF PEACE, SECURITY, AND STABILITY IN THE CRITICAL REGION OF THE MIDDLE EAST. WITH THE DETERIORATION OF THEIR RELATIONSHIP, TURKEY HAS IN EFFECT REMOVED ITSELF FROM THE EQUATION OF THE MIDDLE EAST PEACE PROCESS WHILE ISRAEL HAS DEPRIVED ITSELF OF THE HELP OF PERHAPS THE MOST

RELIABLE AND POWERFUL FRIEND IN ITS REGION. THE BI-LATERAL AND BROADER CONSEQUENCES OF THE LOSS OF TRUST AND MUTUALITY BETWEEN TURKEY AND ISRAEL WILL BE FAR-REACHING AND ENDURING UNLESS REVERSED WITH A SUSTAINED EFFORT BY BOTH COUNTRIES.

2. (U//~~FOUO~~) TURKEY WAS THE FIRST MUSLIM COUNTRY TO RECOGNIZE ISRAEL'S STATEHOOD AND MAINTAINED UNINTERRUPTED DIPLOMATIC TIES WITH ISRAEL DESPITE THE PRESSURE OF ARAB STATES AND THE STRAINS OF VICISSITUDES EXPERIENCED OVER TIME IN THEIR OWN RELATIONS. IN THE 1990S THE RELATIONSHIP BEGAN TO FLOURISH IN THE POLITICAL, MILITARY, ECONOMIC, AND COMMERCIAL SPHERES. AFTER THE SIGNING OF A FREE TRADE AGREEMENT IN 1997, TRADE VOLUME INCREASED BY SEVEN FOLD TO A LEVEL OF MORE THAN 3 BILLION USD PER YEAR. ISRAELI TOURISTS CAME TO TURKEY IN LARGE NUMBERS, AND HIGH-LEVEL DIPLOMATIC VISITS WERE FREQUENT BETWEEN THE TWO COUNTRIES. THIS POSITIVE TREND CONTINUED UNTIL THE 2008 ISRAELI MILITARY OPERATION AGAINST HAMAS IN THE GAZA STRIP.

3. (U//~~FOUO~~) FROM THAT POINT ON, THE TURKISH GOVERNMENT EXHIBITED AN INCREASINGLY CRITICAL ATTITUDE TOWARD ISRAEL. THERE WAS THE WELL-KNOWN "ONE MINUTE" OUTBURST IN DAVOS. FOLLOWING ISRAELI'S ATTACK AT THE END OF MAY 2010 ON THE AID FLOTILLA, TURKEY WITHDREW ITS AMBASSADOR AND RELATIONS HIT THEIR LOWEST POINT. IT CONDITIONED THE RESUMPTION OF NORMAL RELATIONS ON A SERIES OF DEMANDS. TURKEY IS ASKING FOR AN APOLOGY FROM ISRAEL, COMPENSATION TO THE FAMILIES OF THOSE KILLED, ISRAEL AGREEING TO THE ESTABLISHMENT OF A UN-LED INTERNATIONAL INVESTIGATION OF THE INCIDENT, THE RETURN OF THE DETAINED SHIPS, AND THE LIFTING OF THE NAVAL BLOCKADE AGAINST GAZA. SO FAR, ISRAEL HAS ONLY TAKEN SOME LIMITED STEPS TOWARDS THE LOOSENING OF THE BLOCKADE IN RESPONSE TO THE PRESSURE FROM THE INTERNATIONAL COMMUNITY. THERE IS NO INDICATION NOW THAT ISRAEL INTENDS TO MEET ANY OF TURKEY'S DEMANDS. GIVEN THE CURRENT DOMESTIC POLITICAL CONFIGURATIONS IN THE TWO COUNTRIES, THE CHANCES OF NORMALIZATION IN THE NEAR FUTURE ARE QUITE DIM. AT PRESENT, THE POLITICAL ATMOSPHERE IS ACRIMONIOUS.

4. (U//~~FOUO~~) ACCORDING TO DR. LOGOGLU, THE REASON THE RELATIONSHIP HAS REGRESSED SO DEEPLY HAS A LOT TO DO WITH THE QUESTIONABLE POLICIES PURSUED BY ISRAEL. HOWEVER, IT ALSO HAS A LOT TO DO WITH THE PARADIGM SHIFT IN TURKISH SOCIETY, PROPELLED AND GUIDED BY THE PARTICULAR OUTLOOK OF THE RULING JUSTICE AND DEVELOPMENT PARTY (AKP) ON DOMESTIC AND FOREIGN AFFAIRS. THIS SHIFT IS RESPONSIBLE FOR THE DIFFERENCE BETWEEN BEING CRITICAL OF ISRAEL ON THE ONE HAND AND BEING ANTI-ISRAEL ON THE OTHER.

5. (U//~~FOUO~~) ONE DIMENSION THAT IS LIKELY TO SUFFER THE MOST FROM THIS DOWNWARD SPIRAL IN THE RELATIONS BETWEEN TURKEY AND ISRAEL IS

~~NOFORN~~

~~SECRET~~

~~SECRET~~

~~NOFORN~~

THE DEFENSE-MILITARY COMPONENT OF THE BI-LATERAL RELATIONSHIP. THE DEFENSE COOPERATION STARTED IN EARNEST IN MID-1990 WHEN TURKEY AND ISRAEL SIGNED TWO SEPARATE AGREEMENTS. THE FIRST (FEB 96) WAS ON MILITARY AND THE SECOND (AUG 96) WAS ON COOPERATION IN DEFENSE INDUSTRIES. BOTH AGREEMENTS SET UP THEIR OWN FOLLOW-UP AND MONITORING MECHANISMS THAT MET REGULARLY. IN THE YEARS FROM 1996 ON, HUNDREDS OF ISRAELI OFFICERS CAME TO TURKEY AND MANY TURKISH OFFICERS RECEIVED TRAINING IN ISRAEL.

6. (U//~~FOUO~~) DURING THE PERIOD OF 1996 TO 2008, THE MILITARY-TO-MILITARY EXCHANGES BLOSSOMED INTO A ROBUST AND COMPLEX RELATIONSHIP, DUBBED AS A "STRATEGIC PARTNERSHIP". THERE WERE MORE THAN TWENTY MAJOR PROJECTS, INCLUDING THE MODERNIZATION AND UPGRADING OF F-4 AND F-5 JET AIRCRAFT, M-60 TANKS AND HELICOPTERS. TURKEY BECAME A LUCRATIVE MARKET FOR ISRAELI MILITARY PRODUCTS SUCH AS ROCKETS AND UNMANNED AIRCRAFT AS WELL AS ADVANCED MILITARY TECHNOLOGY. BOTH SIDES BENEFITED FROM THIS RELATIONSHIP--TURKEY WAS GETTING HIGH QUALITY PRODUCTS; ISRAELI WAS EARNING MONEY. ONE PARTICULAR ADVANTAGE FOR TURKEY WAS THAT ISRAEL WAS PROVIDING CRITICAL HIGH-TECH PRODUCTS THAT THE U.S. AND OTHER ALLIES WERE UNWILLING TO SELL TO TURKEY. A GAIN OF SPECIAL IMPORTANCE FOR ISRAEL WAS THAT IT WAS ENJOYING THE PSYCHOLOGICAL COMFORT OF HAVING SUCH A STRONG BOND IN DEFENSE MATTERS WITH A HEAVYWEIGHT LIKE TURKEY, REDUCING ITS SENSE OF ISOLATION IN THE REGION.

7. (U//~~FOUO~~) THE MILITARY COOPERATION ENCOMPASSED A RANGE OF DIFFERENT ACTIVITIES. THERE WERE JOINT NAVAL EXERCISES AND SEARCH AND RESCUE OPERATIONS IN THE EASTERN MEDITERRANEAN WITH THE PARTICIPATION OF THE U.S. AND OBSERVERS FROM JORDAN. IN ADDITION, THE ISRAELI AIR FORCE ENJOYED THE PRIVILEGE OF TRAINING ITS AIR FORCE PILOTS AT FACILITIES OFFERED BY TURKEY, AN IMPORTANT PRIVILEGE FOR ISRAEL WITH ITS EXTREMELY LIMITED AIRSPACE. IN THE SAME VEIN, TURKEY INVITED ISRAEL TO PARTICIPATE IN AIR FORCE DRILLS ALONG WITH NATO MEMBERS. ON THE OTHER HAND, WHILE WE CANNOT KNOW THE EXACT EXTENT OF INTELLIGENCE COOPERATION BETWEEN THE ARMED FORCES OF THE TWO COUNTRIES, WE CAN SAFELY STATE THE TWO SIDES HAVE OVER THE YEARS ENGAGED IN A HEALTHY EXCHANGE OF INTELLIGENCE OVER A WIDE RANGE OF ISSUES. ISRAEL PURCHASED UNIFORMS, BOOTS, AND SIMILAR SUPPLIES FROM TURKEY. TURKEY AND ISRAEL ALSO WORKED TOGETHER IN JOINT RESEARCH AND DEVELOPMENT PROJECTS CONCERNING DEFENSE-RELATED ISSUES.

8. (U//~~FOUO~~) THE TURKISH RESPONSE TO THE FLOTILLA ATTACK HAS BEEN PRIMARILY IN THE MILITARY DEFENSE FIELD. TURKEY IMMEDIATELY CANCELLED THREE DIFFERENT JOINT MILITARY EXERCISES AND CALLED OFF A LONG-PLANNED AIR DRILL AT THE LAST MINUTE TO PREVENT ISRAEL'S

~~NOFORN~~

~~SECRET~~

~~SECRET~~
~~NOFORN~~

PARTICIPATION. A NUMBER OF MILITARY CONTRACTS IN THE PIPELINE HAVE BEEN PUT IN DEEP FREEZE, IF NOT ALTOGETHER CANCELLED. CONSULTATIVE MECHANISMS HAVE COME TO A HALT. INTELLIGENCE COOPERATION MAY HAVE ENDED, EVEN BEFORE THE FLOTILLA ATTACK I WAS TOLD (MAY 6, 2010) BY AN ISRAELI GENERAL AT A CONFERENCE AT NETANYA COLLEGE THAT THE LEVEL OF MILITARY COOPERATION HAD ALREADY BEEN REDUCED TO A MINIMUM IN THE LAST TWO YEARS. FROM A PROJECTED VOLUME OF ABOUT 2 BILLION USD, THE DEFENSE CONTRACTS SHRUNK TO LESS THAN 100 MILLION USD IN 2007 AND 2008.

9. (U//~~FOUO~~) WHAT IS CLEAR IS THAT THE TURKISH-ISRAELI MILITARY AND DEFENSE CONNECTION HAS ALREADY SUFFERED SEVERE DAMAGE, A COMPONENT DEPENDENT ON THE STATE OF POLITICAL RELATIONS BETWEEN THE TWO COUNTRIES. THE TURKISH GOVERNMENT HAS PAINTED ITSELF INTO A CORNER THOUGH IT COULD AND SHOULD HAVE MANAGED THE TENSIONS WITH ISRAEL WITH WISDOM AND MODERATION, RATHER THAN EMOTION AND ANGER. ON THE OTHER HAND, ISRAEL MADE THE MISTAKE OF NOT RESPONDING MORE FLEXIBLY TO TURKISH DEMANDS AFTER THE FLOTILLA INCIDENT AND WRONGLY ASSUMED IT COULD AFFORD TO ALIENATE TURKEY. UNDER THE CIRCUMSTANCES, THE PROSPECT OF RECOVERY OF TRUST AND MUTUALITY BETWEEN TURKEY AND ISRAEL IS VERY DISTANT INDEED. THE TURKISH-ISRAELI STRATEGIC PARTNERSHIP PROVIDED A CUSHION OF STABILITY FOR THE WHOLE AREA. NOW THAT COMFORT ZONE IS GONE. THIS DOES NOT AUGUR WELL FOR THE REGION. A FUNCTIONAL TURKISH-ISRAELI STRATEGIC PARTNERSHIP IS PERHAPS OF GREATER IMPORTANCE FOR THE ARAB STATES OF THE REGION THAN IT IS FOR THE TWO COUNTRIES THEMSELVES. WITH ISRAEL NO LONGER ENJOYING THE GOODWILL OF TURKEY, IRAN MIGHT FEEL MORE EMBOLDENED WITH ITS ACTIVITIES IN THE REGION, WHICH IN TURN MIGHT TRIGGER A RADICAL RESPONSE FROM ISRAEL. TURKEY IS UNFORTUNATELY NO LONGER AN ARBITER IN THE MIDDLE EAST CONFLICT, BUT ALMOST A PARTY TO IT. HENCE, THE MIDDLE EAST REGION IS TODAY PREGNANT TO FURTHER INSTABILITIES. THIS MAKES A RAPPROCHEMENT BETWEEN TURKEY AND ISRAEL ALL THE MORE URGENT.

“Turkey and Israel: Strategic Partners in Discord”

The strategic link between Turkey and Israel has been badly broken to the detriment of peace, security and stability in the critical region of the Middle East.

With the deterioration of their relationship, Turkey has in effect removed itself from the equation of the Middle East peace process while Israel has deprived itself of the help of perhaps the most reliable and powerful friend in its region. The bilateral and broader consequences of the loss of trust and mutuality between Turkey and Israel will be far-reaching and enduring, unless reversed with a sustained effort by both countries.

The shared history of the Turkish and Jewish peoples is rich and singularly positive. They have enjoyed friendly ties throughout history and the Turks have helped the Jewish people in their times of difficulty and hardship. Turkey was the first Muslim country to recognize Israel's statehood and maintained uninterrupted diplomatic ties with Israel despite the pressure of the Arab states and the strains and vicissitudes experienced over time in their own relations. In the 1990s, the relationship began to flourish in the political, military, economic and commercial spheres. After the signing of a free trade agreement in 1997, trade volume increased by seven fold to a level of more than 3 billion US dollars per annum. Israeli tourists came to Turkey in large numbers. There were frequent high-level diplomatic visits

between the two countries. This positive trend prevailed until about 2008.

However, things began to deteriorate rapidly in the aftermath of the Israeli military operation against Hamas in the Gaza Strip in late 2008. From that point on, the Turkish Government exhibited an increasingly critical attitude toward Israel. There was the well-known “one-minute” outburst in Davos. Following Israel's attack at the end of May (2010) on the aid flotilla, Turkey withdrew its Ambassador and relations hit their lowest point. It conditioned the resumption of normal relations on a series of demands.

Turkey is asking for an apology from Israel, compensation to the families of those killed, Israel agreeing to the establishment of an UN-led international investigation of the incident, the return of the detained ships and the lifting of the naval blockade against Gaza. So far, Israel has only taken some limited steps towards the loosening of the blockade in response to the pressure from the international community. There is no indication now that Israel intends to meet any of Turkey's demands. Given the current domestic political configurations in the two countries, the chances of normalization in the near future are quite dim. At present, the political atmosphere is acrimonious.

Why the relationship has regressed so deeply has a lot to do with the questionable policies pursued by Israel.

However, it also has a lot to do with the paradigm shift in Turkish society, propelled and guided by the particular outlook of the ruling Justice and Development Party (AKP) on domestic and foreign affairs. This shift is responsible for the difference between being critical of Israel on the one hand and being anti-Israel on the other.

One dimension that is likely to suffer the most from this downward spiral in the relations between Turkey and Israel is the defense-military component in the bilateral relationship. The defense cooperation started in earnest in mid-1990 when Turkey and Israel signed two separate agreements. The first (February 1996) was on military training. The second (August 1996) was on cooperation in defense industries.

Both agreements set up their own follow-up and monitoring mechanisms that met regularly. In the years from 1996 on, hundreds of Israeli officers came to Turkey and many Turkish officers received training in Israel.

During the period 1996-2008, the military-to-military exchanges blossomed into a robust and complex relationship, dubbed as a "strategic partnership". There were more than twenty major projects, including the modernization and upgrading of F-4 and F-5 jet aircraft, M-60 tanks and helicopters. Turkey became a lucrative market for Israeli military products such as rockets and unmanned aircraft as well as advanced military technology. Both sides benefited from this relationship.

Turkey was getting high quality products; Israel was earning money. One particular advantage for Turkey was that Israel was providing critical high-tech products that the US and other allies were unwilling to sell to Turkey.

A gain of special importance for Israel was that it was enjoying the psychological comfort of having such a strong bond in defense matters with a heavyweight like Turkey, reducing its sense of isolation in the region.

The military cooperation encompassed a range of different activities. There were joint naval exercises and search and rescue operations in the eastern Mediterranean with the participation of the US and observers from Jordan. In addition, Israeli air force enjoyed the privilege of training its air force pilots at facilities offered by Turkey, an important privilege for Israel with its extremely limited airspace. In the same vein, Turkey invited Israel to participate in air force drills along with NATO members. On the other hand, while we cannot know the exact extent of intelligence cooperation between the armed forces of the two countries, we can safely state that two sides have over the years engaged in a healthy exchange of intelligence over a wide range of issues. Israel purchased uniforms, boots and similar supplies from Turkey. Turkey and Israel also worked together in joint research and development projects concerning defense-related issues.

The Turkish response to the flotilla attack has been primarily in the military-defense field. Turkey immediately cancelled three different joint military exercises and called off a long-planned air drill at the last minute to prevent Israel's participation. A number of military contracts in the pipeline have been put in deep freeze, if not altogether cancelled. Consultative mechanisms have come to a halt. Intelligence cooperation may have ended. Even before the flotilla attack I was told (May

6, 2010) by an Israeli general at a conference at Netanya College that the level of military cooperation had already been reduced to a minimum in the last two years. From a projected volume of about 2 billion US dollars, the defense contracts shrunk to less than 100 million in 2007-2008.

What is clear is that the Turkish-Israeli military and defense connection has already suffered severe damage, a component dependent on the state of political relations between the two countries. The Turkish Government has painted itself into a corner though it could and should have managed the tensions with Israel with wisdom and moderation, rather than emotion and anger. On the other hand, Israel made the mistake of not responding more flexibly to Turkish demands after the flotilla incident and wrongly assumed it could afford to alienate Turkey. Under the circumstances, the prospect of recovery of trust and mutuality between Turkey and Israel is very distant indeed. The Turkish-Israeli strategic partnership provided a cushion of stability for the whole area. Now that comfort zone is gone. This does not augur well for the region. A functional Turkish-Israeli strategic partnership is perhaps of greater importance for the Arab states of the region than it is for the two countries themselves. With Israel no longer enjoying the goodwill of Turkey, Iran might feel more emboldened with its activities in the region, which in turn might trigger a radical response from Israel. Turkey is unfortunately no longer an arbiter in the Middle East conflict, but almost a party to it. Hence, the Middle East region is today pregnant to further instabilities. This makes a rapprochement between Turkey and Israel all the more urgent.

TEXT: 1. (U//~~FOUO~~) EXECUTIVE SUMMARY. ON 31 MAY 2010, ISRAELI NAVAL FORCES BOARDED A FLOTILLA OF SIX VESSELS WHOSE STATED GOAL WAS TO BREAK THE ISRAELI BLOCKADE OF GAZA. THE BOARDING TURNED VIOLENT WHEN PASSENGERS ON A FERRY ATTACKED THE BOARDING NAVAL FORCES WHO RESPONDED WITH DEADLY FORCE WHICH RESULTED IN NINE DEAD PASSENGERS, AND NUMEROUS WOUNDED ON BOTH SIDES.

PAGE 5 RUZDHTR0381 ~~SECRET//NOFORN~~

2. (U//~~FOUO~~) DURING THE WEEK OF 23 MAY 2010, A COALITION OF PEACE ACTIVISTS CALLED THE FREE GAZA MOVEMENT ANNOUNCED THEIR INTENTION TO LEAD A FLOTILLA OF SIX VESSELS TO GAZA WITH THE INTENTION OF BREAKING THE ISRAEL-IMPOSED BLOCKADE OF GAZA (GEOCOORD:3125N/03422E). THE FLOTILLA CONSISTED OF SIX SHIPS, LEAD BY THE TURKISH-FLAGGED MAVI MARMARA. THE MAVI MARMARA CARRIED OVER 500 ACTIVISTS OF VARIOUS NATIONALITIES FROM AROUND THE WORLD, OVER HALF OF WHICH WERE TURKISH CITIZENS. ORGANIZERS OF THE FLOTILLA STATED THE SHIPS WERE CARRYING HUMANITARIAN AID FOR THE CITIZENS OF GAZA, WHICH INCLUDED BUILDING MATERIALS, FOOD, MEDICINE, AND OTHER HUMANITARIAN SUPPLIES. DESPITE SEVERAL ATTEMPTS TO SETTLE THE EVENT DIPLOMATICALLY, WHICH INCLUDED OFFERS BY THE GOVERNMENT OF ISRAEL (GOI) TO RECEIVE THE SHIPS IN ASHDOD PORT (GEOCOORD:3148N/03438E), ISRAEL AND COORDINATE THE DELIVERY TO GAZA VIA ESTABLISHED MEANS CURRENTLY USED BY THE UNITED NATIONS AND THE INTERNATIONAL RED CROSS, FLOTILLA ORGANIZERS CONTINUED ON THEIR COURSE AND RE-STATED THEIR INTENTION TO BREAK THE BLOCKADE. DURING THE EARLY MORNING HOURS OF 31 MAY 2010 AS THE FLOTILLA APPROACHED ISRAEL, THE SIX-SHIPS WERE INTERCEPTED BY ISRAELI NAVY FORCES AND BOARDED AFTER NEGOTIATIONS WITH THE CREWS OF THE SHIPS FAILED. THE BOARDING TURNED VIOLENT ON THE PASSENGER FERRY AS

PAGE 6 RUZDHTR0381 ~~SECRET//NOFORN~~

PASSENGERS ATTACKED THE BOARDING PARTY WITH METAL PIPES, KNIVES, AND CHAINS. THE NAVAL FORCES RESPONDED WITH DEADLY FORCE WHICH RESULTED IN NINE PASSENGERS KILLED, AND NUMEROUS PASSENGERS AND NAVAL FORCES WOUNDED. SIGNIFICANT RESISTANCE WAS ONLY ENCOUNTERED ON ONE OF THE SIX VESSELS.

3. (U//~~FOUO~~) UPON ESTABLISHMENT OF CONTROL OVER THE SHIPS, PASSENGERS, AND CREW, THE NAVAL FORCES SAILED THE SHIPS TO ASHDOD PORT WHERE THEY DOCKED EARLY ON 31 MAY 2010. THE FLOTILLA CONSISTED OF ONE PASSENGER FERRY, ONE MEDIUM-SIZED YACHT (NO FURTHER INFORMATION) AND FOUR CARGO SHIPS WITH MOSTLY CREW ON BOARD IN ADDITION TO THE REPORTED SUPPLIES. UPON ARRIVAL AT ASHDOD PORT, ALL PERSONNEL WERE MADE TO DISEMBARK WHERE THEY WERE SCREENED BY SECURITY PERSONNEL FOR WEAPONS OR OTHER CONTRABAND, THEN PROCESSED BY IMMIGRATION OFFICIALS TO DETERMINE THEIR IMMIGRATION STATUS. FOREIGN PASSENGERS AND CREW NOT SUSPECTED OF VIOLENCE AGAINST THE NAVY COMMANDOS THAT STATED THEIR WILLINGNESS TO DEPART ISRAEL PEACEFULLY AFTER COMPLETING STATEMENTS, WERE PROCESSED AND TRANSPORTED TO THE AIRPORT FOR DEPARTURE TO THEIR HOME COUNTRIES. THOSE WHO WERE UNCOOPERATIVE OR WERE SUSPECTED OF VIOLENCE AGAINST THE NAVY

COMMANDOS WERE PROCESSED AS CRIMINALS AND TRANSPORTED TO THE ELA DETENTION FACILITY IN BE'ER SHEVA (GEOCOORD:3114N/03447E), ISRAEL. ISRAEL LATER BEGAN DEPORTATION PROCEDURES FOR THESE PERSONNEL AS WELL AND EXPECTED ALL FOREIGN PASSENGERS AND CREW FROM THE FLOTILLA TO HAVE DEPARTED ISRAEL BY 04 JUNE 2010 AT THE LATEST. ISRAELI CITIZENS WHO WERE ON BOARD THE SHIPS WERE PROCESSED AS NORMAL ENTRY INTO THE COUNTRY, EXCEPT THOSE SUSPECTED OF VIOLENCE AGAINST THE NAVY COMMANDOS, WHO WERE PROCESSED AS CRIMINALS. SHEKH RA'ED SALAH, A PROMINENT ARAB ISRAELI LEADER, WHO WAS ON BOARD AND INVOLVED IN THE VIOLENCE AGAINST THE NAVY COMMANDOS, WAS ARRESTED AND INTERROGATED, BUT WAS NOT BEING TREATED AS OTHER CRIMINALS DUE TO HIS HIGH PROFILE AND THE DESIRE NOT TO INFLAME THE ARAB ISRAELI POPULACE. NO CREW REMAINED WITH ANY OF THE SHIPS. ALL CREW MEMBERS WERE PROCESSED ALONG WITH THE PASSENGERS AND WILL BE DEPORTED BY 04 JUNE 2010. BY 1300 ON 01 JUNE 2010, ALL PERSONNEL FROM THE FLOTILLA HAD DEPARTED ASHDOD PORT VIA ONE OF THE MEANS DESCRIBED ABOVE.

PERSONNEL (CP) OR COUNTER MATERIAL (CM) CATEGORIES. NLW USED AGAINST PERSONNEL USUALLY INFLECT NON-PERMANENT INJURIES IN WHICH THE TARGETED PERSON RECOVERS FULLY IN HOURS OR DAYS TYPICALLY REQUIRING ONLY SELF AND MEDICAL CARE TO RECOVER. NLW ANTI-MATERIEL EFFECTS ARE EXPECTED TO BE REVERSIBLE OR FIELD REPAIRABLE. THE IDEAL NON-LETHAL WEAPON ENABLES A COMMANDER TO ACHIEVE HIS OBJECTIVES WITH MINIMAL LOSSES OF LIFE AND MINIMAL DESTRUCTION OF INFRASTRUCTURE.

2. [REDACTED] THE USE OF NON-LETHAL WEAPONS BY BOTH CIVILIAN AND MILITARY AGENCIES CONTINUES TO INCREASE, WITH THE GREATEST USE BY LAW ENFORCEMENT AGENCIES IN DEVELOPED COUNTRIES. THE EMPLOYMENT OF NLW IS DEPENDENT ON SEVERAL FACTORS, TO INCLUDE INTERNATIONAL PROTOCOLS, NATIONAL AND LOCAL LAWS.

2A. [REDACTED] AS AN EXAMPLE, LASER WEAPONS WHICH ARE INTENTIONALLY DESIGNED TO CAUSE PERMANENT BLINDNESS ARE PROHIBITED BY INTERNATIONAL PROTOCOL, BUT MAY BE USED FOR COUNTER-ELECTRO-OPTICS OPERATIONS (EOD) EVEN THOUGH COLLATERAL BLINDING OF HUMAN-BO OPERATORS MAY OCCUR. SIMILARLY, TEAR GAS OR PEPPER SPRAY MAY BE ALLOWED FOR USE BY LAW ENFORCEMENT OR MILITARY WITHIN A LAW ENFORCEMENT OPERATION AS A Riot CONTROL MEASURE, BUT USE OF Riot CONTROL AGENTS FOR OFFENSIVE

PAGE 8 RUZDHT0311 [REDACTED]
MILITARY OPERATIONS IS BANNED BY INTERNATIONAL PROTOCOL. INCAPACITATING CHEMICAL AGENTS USED AS NLW IN A FOREIGN MILITARY ACTION ARE COVERED UNDER THE CHEMICAL WEAPONS CONVENTION AND THEIR USE IS REGULATED BY INTERNATIONAL PROTOCOL, HOWEVER, THE SAME AGENTS USED DOMESTICALLY FOR "LAW ENFORCEMENT" PURPOSES ARE NOT.
2B. (U//[REDACTED]) INTERPRETATIONS OF INTERNATIONAL TREATIES AND CONVENTIONS VARIES BY NATIONS AND THE GOVERNMENTS THAT ARE CURRENTLY IN POWER. THE POLICY AND TACTICS FOR FOREIGN AND DOMESTIC NLW USE MAY DIFFER RADICALLY AND SHOULD BOTH BE COLLECTED AGAINST.
2C. (U//[REDACTED]) NLW ARE ALSO KNOWN BY THE TERMS SOFT-KILL, ANTI-MATERIEL, LESS-THAN-LETHAL, LESS LETHAL, AND DISABLING TECHNOLOGIES.

REQMT: 1. [REDACTED] THE REPORT REFERENCED THE BOARDING PARTY BEING ARMED WITH PAINTBALL GUNS AND OTHER NONLETHAL WEAPONS (NLWS). PLEASE IDENTIFY THE OTHER NLWS (I.E. BATONS, ASPS, ETC).
2. (U//[REDACTED]) THERE HAVE BEEN ANECDOTAL REPORTS OF FLASH BANG GRENADES BEING USED AGAINST THE BOARDING PARTY. PLEASE CONFIRM THE USE OF FLASH-BANG OR OTHER NON-LETHAL (NL) GRENADES (I.E. STINGBALL.

PEPPER/OC POWDER, OBSCURANT) AND THE ENTITY DEPLOYING THE NL GRENADES
3. (U//[REDACTED]) WERE EITHER THE BOARDING PARTY OR THE REPELLING FORCE EQUIPPED WITH NIGHT VISION TECHNOLOGY AND WERE ANY COUNTER MEASURES EMPLOYED?
4. [REDACTED] THE PAINTBALL GUNS STRONGLY RESEMBLE COMMERCIALY AVAILABLE PEPPERBALL WEAPONS SYSTEMS, PLEASE CONFIRM THE IDENTITY OF THE WEAPON.
5. [REDACTED] PLEASE IDENTIFY THE PAYLOAD(S) USED IN THE PAINTBALL GUNS (I.E. PAINT OR MARKING ROUNDS, PEPPER OR OC ROUNDS, ETC.)
6. [REDACTED] PLEASE DETERMINE THE RULES OF ENGAGEMENT THAT WERE IN PLACE FOR THE BOARDING EXERCISE TO INCLUDE THE ESCALATION OF FORCE PROCEDURES GOVERNING THE TRANSITION FROM NON-LETHAL TO LETHAL FORCE AND THE STEPS IN BETWEEN.

TEXT: 1. (U//FOUO) EXECUTIVE SUMMARY. SECRET DIPLOMACY TO REPAIR

RELATIONS BETWEEN ANKARA AND TEL AVIV COMES TO LIGHT AFTER A HIGH-LEVEL TURKISH DIPLOMATIC VISIT TO THE UNITED STATES, WHICH COUNTS BOTH COUNTRIES AS KEY ALLIES IN THE MIDDLE EAST. AS THE U.S. URGES TURKEY TO RECOGNIZE ISRAEL'S RECONCILIATORY MOVES, A TURKISH DIPLOMAT SAYS ANKARA IS SEEKING WASHINGTON'S ASSISTANCE ON ITS KEY DEMANDS.

2. (~~U//FOUO~~) ACCORDING TO OPEN PRESS, DIPLOMATIC SOURCES HAVE STATED THAT INTENSE U.S. PRESSURE HAS CONTRIBUTED TO THE TAKING OF SLOW RECIPROCAL STEPS BY TURKEY AND ISRAEL TO EASE TENSIONS IN THE SEVERELY DETERIORATED RELATIONSHIP BETWEEN THE TWO REGIONAL POWERS. THOUGH TURKEY'S MESSAGE WAS CONVEYED TO U.S. OFFICIALS LAST WEEK BY A TURKISH DIPLOMATIC DELEGATION HEADED BY FOREIGN MINISTRY UNDERSECRETARY FERIDUN ((SINIRLIOGLU)), IT WAS NOT THE FIRST ATTEMPT TO MEND FENCES BEHIND THE SCENES SINCE ISRAEL'S DEADLY 31 MAY 2010 ATTACK ON A TURKISH AID FLOTILLA TO GAZA.

3. (~~U//FOUO~~) IN LATE AUGUST, A SENIOR TURKISH DIPLOMAT TOLD THE ISRAELI DAILY THAT DURING A SECRET MEETING IN BRUSSELS IN JUNE THE TURKISH FOREIGN MINISTER, AHMET ((DAVUTOGLU)) AND THE ISRAELI INDUSTRY, TRADE, AND LABOR MINISTER, BENJAMIN ((BEN-ELIEZER)), DRAFTED A PRELIMINARY APOLOGY LETTER FOR THE INCIDENT. THE DOCUMENT WAS NOT ACTUALLY A LETTER, BUT A TEXT ON WHICH THE TWO SIDES WERE WORKING, THE DIPLOMAT TOLD THE SOURCE IN A CLARIFYING STATEMENT.

4. (~~U//FOUO~~) PRESS REPORTING CLAIMS THE U.S. IS CALLING ON TURKEY, THROUGH ITS EMBASSY IN ANKARA AND OTHER CHANNELS, TO SEND SOME POSITIVE SIGNALS TO ISRAEL IN APPRECIATION OF THE STEPS IT HAS ALREADY TAKEN. TURKEY HAS LAID DOWN TWO CONDITIONS FOR RESORTING TIES WITH ISRAEL: AN APOLOGY AND COMPENSATION FOR THE VICTIMS. ISRAEL HAS TAKEN DIFFERENT STEPS TO NORMALIZE RELATIONS, INCLUDING AGREEING TO A UN INQUIRY PANEL, RETURNING THE THREE TURKISH SHIPS THAT WERE BOARDED IN THE RAID, TRANSFERRING THE AID THE VESSELS WERE CARRYING TO GAZA, EASING ITS BLOCKADE ON THE GAZA STRIP, AND REMOVING THE TRAVEL WARNING TO ISRAELI VISITORS TO TURKEY. THE TURKISH DIPLOMAT SAID, "WE TOLD THE AMERICANS THE DIMENSIONS THEY DID NOT KNOW. THEY THINK WE HAVEN'T EXERTED ANY EFFORT. WE DID EXERT

PAGE 7 RUZDHTR1504 ~~SECRET//NOFORN~~

EFFORTS, BUT DEVELOPMENTS TOOK AN UNDESIRED TURN. WE TOLD THEM THIS IS A PROBLEM BETWEEN TWO FRIENDS. MAYBE THIS IS THE REASON IT CANNOT BE SOLVED."

5. (~~U//FOUO~~) ANKARA INFORMED WASHINGTON OF ITS WILLINGNESS TO OVERCOME ITS PROBLEMS WITH ISRAEL, BUT EMPHASIZED THAT ISRAEL NEEDS TO TAKE FURTHER STEPS TOWARD AN APOLOGY AND COMPENSATION. "NINE PEOPLE DIED IN THE END. IF THE STEPS WE ASK FROM ISRAEL ARE TAKEN, WE ARE READY FOR A THAW, BUT ISRAEL IS NOT DOING ANYTHING. WE TOLD THE AMERICANS TO HELP US," THE TURKISH DIPLOMAT SAID. TURKEY INSISTS THE SAME TWO CONDITIONS ARE REQUIRED BEFORE TURKEY RETURNS ITS AMBASSADOR, WHO WAS RECALLED TO ANKARA AFTER THE ISRAELI RAID, TO TEL AVIV. "NOTHING CAN HAPPEN UNLESS THEY ARE MET," THE TURKISH DIPLOMAT SAID.

6. (~~U//FOUO~~) TURKEY IS NOW PINNING ITS HOPES ON THE UN PANEL ESTABLISHED TO INVESTIGATE THE FLOTILLA CRISIS, WHICH THE DIPLOMAT SAID COULD COME UP WITH A FORMULA TO MEET TURKISH DEMANDS.

(S//NF) The Netherlands/AOR: Turkish Islamist NGO banned. BLUF: NGO supports HAMAS; Links to planned 2nd Gaza flotilla attempt to break Israeli blockade. On 27 April, authorities banned the Netherlands-based branch of the Turkish Islamic NGO International Humanitarian Help (IHH) after investigations by the Dutch General Intelligence and Security Service (AVD) established financial links between the Dutch IHH and the banned Germany-based IHH. The Netherlands-based IHH regularly transferred funds to IHH Germany which were then sent to Turkey and used to support HAMAS operations in Gaza. German authorities banned the Frankfurt-based IHH on 12 July 2010 for its clandestine funding of HAMAS and its suspected ties to the May 2010 Gaza flotilla incident which resulted in the Israeli storming of the ship "Mavi Marmara" and the deaths of nine extremists. IHH provides financial support to HAMAS relief organizations for social projects intended to increase HAMAS influence in Gaza and allow HAMAS to dedicate its own resources to terrorist activities against Israel. A portion of the clandestine IHH funding is used to provide financial relief to families of HAMAS martyrs and suicide bombers. Despite denials, Netherlands IHH is linked to the Turkey-based Foundation for Human Rights (IHH) which is a member of the Free Gaza Movement that orchestrated the May 2010 relief flotilla incident which attempted to break Israel's blockade of Gaza. The same organization is planning a second flotilla of 15 ships to challenge Israel on or about 31 May. The Turkish IHH openly supports Jihad operations in Chechnya, Afghanistan, Israel and Iraq and is tolerated by the Islamist government of Turkish Prime Minister Recep Teyyip Erdogan and his governing Justice and Development Party (AKP). USAREUR G2 Analyst Comment: The Netherlands-based IHH and Turkey-based IHH are organizations controlled behind the scenes by the Germany-based Milli Gorus Islamic extremist organization. The banning of the Netherlands IHH and freezing of its assets will result in a minor disruption of Turkey-based IHH's current financial operations and necessitate the establishment of another front organization to channel funds from Dutch Muslims to the main organization in Turkey. 2. (U) DURING THE WEEK OF 31 MAY 2010, A COALITION OF PEACE ACTIVISTS CALLED THE FREE GAZA MOVEMENT ANNOUNCED THEIR INTENTION TO LEAD A FLOTILLA OF SIX VESSELS TO GAZA WITH THE INTENTION OF BREAKING THE ISRAELI IMPROVED BLOCKADE OF GAZA. (U) THE FLOTILLA CONSISTED OF SIX SHIPS, LEAD BY THE TURKISH-FLAGGED M/V MARIANA. THE NAVY HAD BEEN ADVISED OVER 600 ACTIVISTS OF VARIOUS NATIONALITIES FROM AROUND THE WORLD, OVER HALF OF WHICH WERE TURKISH CITIZENS. ORGANIZERS OF THE FLOTILLA STATED THE SHIPS WERE CARRYING HUMANITARIAN AID FOR THE CITIZENS OF GAZA, WHICH INCLUDED BUILDING MATERIAL, FOOD, MEDICAL, AND OTHER HUMANITARIAN SUPPLIES. NOTWITHSTANDING SEVERAL ATTEMPTS TO SETTLE THE ISSUE DIPLOMATICALLY, WHICH INCLUDED OFFERS BY THE GOVERNMENT OF ISRAEL, (U) TO RECEIVE THE SHIP AT ASHOD PORT (U) IN ISRAEL, AND COORDINATE THE DELIVERY TO GAZA VIA ESTABLISHED MEANS CURRENTLY USED BY THE UNITED NATIONS AND THE INTERNATIONAL RED CROSS, FLOTILLA ORGANIZERS CONTINUED ON THEIR COURSE AND RE-ITERATED THEIR INTENTION TO BREAK THE BLOCKADE. DURING THE EARLY MORNING HOURS OF 31 MAY 2010 AS THE FLOTILLA APPROACHED ISRAEL, THE SIX SHIPS WERE INTERCEPTED BY ISRAELI NAVY FORCES AND BOARDED AFTER NEGOTIATIONS WITH THE CREWS OF THE SHIPS FAILED. THE BOARDING TURNED VIOLENT ON THE PASSENGER FERRY AS

PAGE 6 RUZDHTR0361 ~~SECRET~~

PASSENGERS ATTACKED THE BOARDING PARTY WITH METAL PIPES, KNIVES, AND CHAINS. THE NAVAL FORCES RESPONDED WITH DEADLY FORCE WHICH RESULTED IN NINE PASSENGERS KILLED, AND NUMEROUS PASSENGERS AND NAVAL FORCES WOUNDED. SIGNIFICANT RESISTANCE WAS ONLY ENCOUNTERED ON ONE OF THE SIX VESSELS.

3. (U) UPON ESTABLISHMENT OF CONTROL OVER THE SHIPS, PASSENGERS, AND CREW, THE NAVAL FORCES CALLED THE SHIPS TO ASHOD PORT WHERE THEY DOCKED EARLY ON 31 MAY 2010. THE FLOTILLA CONSISTED OF ONE PASSENGER FERRY, ONE MEDIUM-SIZED YACHT (NO FURTHER INFORMATION) AND FOUR CARGO SHIPS WITH MOSTLY CREW ON BOARD IN ADDITION TO THE REPORTED SUPPLIES. UPON ARRIVAL AT ASHOD PORT, ALL PERSONNEL WERE MADE TO UNDECK AND WERE THEN SCREENED BY SECURITY PERSONNEL FOR WEAPONS OR OTHER CONTRABAND. THEY WERE THEN PROCESSED BY IMMIGRATION OFFICIALS TO DETERMINE THEIR IMMIGRATION STATUS. FOREIGN PASSENGERS AND CREW NOT SUSPECTED OF VIOLENCE AGAINST THE NAVY COMMANDOS THAT STATED THEIR WILLINGNESS TO DEPART ISRAEL, HEADFULLY AFTER COMPLETING STATEMENTS, WERE PROCESSED AND TRANSPORTED TO THE AIRPORT FOR DEPARTURE TO THEIR HOME COUNTRIES. THOSE WHO WERE UNCOOPERATIVE OR WERE SUSPECTED OF VIOLENCE AGAINST THE NAVY

CONSP: 1. (U//FOUO) This evaluation is from the Office of Naval Intelligence Global Maritime Information and Analysis Division which is responsible for providing all source analysis of the maritime environment through management of the national maritime databases. This division requires information to support ONI's mission for maritime domain intelligence integration.

(b)(1), 1.4 (c)

2. (CONF) This report provided information and enclosures of the possible Gaza Freedom Flotilla II vessels near Piraeus Greece and is vital to ONI's operational mission. The images of the sailing yacht BELLA will be a new record and was verified not to be the same yacht as the BELLA STELLA, IMO:1003059. The photography of the cargo ship ELEFTHERI MESOGIOS was verified as the same ship previously named TAMARA, IMO:7422532. The information and photographs of the short sea passenger boat AUDACITY OF HOPE, registration number DL2894DF, AMANDA and ARION will support further analysis for correlation and identification.

Ship blueprints are highly valued by ONI due to the difficulty to obtain them and restrictive access. These blueprints and drawings are critical for surveying the hull construction and compartments for operational

missions and boarding teams. The national maritime database aids military planning and operations and SEALINK supports customers that conduct analytical research on technology transfers, counter narcotics/terrorism, smuggling, sanctions, weapons proliferation and criminal activity.

Take a look at the Centcom Update below, under the Israeli paragraph. Obviously someone reported significant information regarding intentions of GOT and TURNAV regarding recent Gaza Freedom Flotilla. We never got to review the report but it looks like something we should try to verify. If TURNAV was planning on escorting this flotilla then it would appear the Gaza Freedom Flotilla had full backing of Turkish Government.

• **[REDACTED] Gaza Flotilla:** The Turkish National Security Council (MGK) was to meet late 2 June to recommend a new course for Turkey's bilateral relationship with Israel after the flotilla interception. The parliament unanimously denounced the interception as a violation of the UN Charter and international law, and called for sanctions against Israel. The statement distinguishes the flotilla from the Israeli people as the target of Turkish national anger. Ministry of Justice contacts told the Embassy PM Erdogan is interested in pursuing a possible criminal case against Israeli officials. In Ankara, protests continued 2 June, but their size has diminished. In Kuwait, the PM, National Assembly Speaker and large crowds hailed as heroes Kuwait's 16 "Freedom Flotilla" participants on their 2 June return from Israel. Returnees condemned the Israelis as "terrorists," and accused them of abuse and intense interrogations. Of ships still believed to be en route to Gaza, the RACHEL CORRIE is expected to arrive at a staging point near Cyprus early 3 June. The CHALLENGER II and Greek-flagged DIMITRIS-K are docked in Cyprus. IDF officials have not informed the Embassy of specific actions, but have confirmed the ships will not be allowed to reach Gaza. Sir,

Rachel Corrie boarding as reported by YNET:

Takeover ended in 5 minutes

Ron Ben-Yishai reports from the field: Five days after bloody raid on Marmar, Navy stages peaceful takeover at sea; female combat soldiers take part in quick raid on Rachel Corrie, fighters board ship using rope ladders

Ron Ben-Yishai
Published: June 04, 2010 / Israel News

Just five minutes – this is the estimated time it took Israel's Navy to commandeer the Rachel Corrie Ship en route to the Gaza Strip.

The raid got underway with the vessel roughly 23 miles west of the Gaza shore, right on the boundary of the naval blockade imposed on the ship. Navy Chief Major General Eliezer Maron received the chief of staff's approval before proceeding. The top military officials were also in touch with Defense Minister Ehud Barak during the operation.

The overall operation was headed by the commander of Israel's missile boat fleet, while the actual raid on the ship was led by the commander of the Flotilla 13 commando unit, Colonel A.

The decision to take over the vessel was taken roughly at 12 pm, when it became clear that the ship had no intention of complying with the Navy's messages and turn to the Ashdod port for an inspection.

The vessel's captain was informed that Navy soldiers may board the ship in the vein international law and without using force, and that the IDF expected personnel on the ship to behave similarly.

4 female fighters

The captain made it clear to the forces he had no intention to offer violent resistance. He gathered the 11 passengers and crewmembers on the ship's deck, where they peacefully waited for the Navy's boats. The Navy dispatched three missile boats to the area, as well as several patrol vessels which have been accompanying the Rachel Corrie since Friday. Additional missile boats were deployed in case the operation turned violent.

Shortly before 12:30, two missile boats reached the Rachel Corrie carrying about 20 combat soldiers, including four female fighters belonging to the Navy's special security unit, in charge of securing ports and vessels. The females were brought in so that they personally handle the females on board, including Nobel Prize Laureate Mairead McGuire.

The Navy commander was on board a nearby missile boat along with Flotilla 13's commander during the operation. The fighters boarded the ship using rope ladders without facing any resistance, explained their demands to the captain, and advised they were being met.

The operation took about five minutes, with soldiers on board the ship yelling slogans at Navy troops but refraining from any violence. The incident highlighted the difference between passengers on board the flotilla, who planned a violent and lethal push in order to smother Israel, and Rachel Corrie activists. The Navy said the latter activists were part of a "provocative unit", but made do with conveying their political message, thereby avoiding any kind of violent clash.

(b)(1),Sec. 1.4(c),Sec. 1.4(d)

- (U) On 28 Jun, Israel Defense Ministry proposed confiscating the ships that attempt to break the naval blockade to Gaza, a move aimed at deterring future flotillas. Israeli press reporting indicates IDF claims they have intelligence showing some flotilla participants are planning to use violence and possibly chemical weapons against the troops. Flotilla members claim this is an attempt to justify IDF violence. (Source: Jerusalem Post)

(b)(1),Sec. 1.4(c)

- (U) On 27 Jun, the Israeli "Lawfare" Group took responsibility for lodging the complaint against flotilla ship AUDACITY OF HOPE. Free Gaza Movement (FGM) organizers and AUDACITY OF HOPE passengers believe the complaint was frivolous and are now confident the Greek government will allow them to depart Greece.

- (U) On 27 Jun, the "Freedom Flotilla II (FF2) - Stay Human" press conference occurred in Athens but no specific ship names, departure dates, launch times, or rendezvous date, time, or area were revealed. Organizers also withheld the length of time the flotilla would remain at the rendezvous area before heading south. In short, FF2 spokespersons stated the flotilla will press forward with their departure plans despite Israel's warnings.

- (U) On 27 Jun, after two days of closed-doors meetings, the Israeli ministers committee on security affairs voted in favor of the navy plans to stop the FF2 flotilla from breaching the Israeli-imposed naval blockade on the Palestinian territory, giving the army authority to use "all necessary means" during the operation. The Israeli cabinet has ordered Israeli troops to operate with "maximal restraint and avoid clashes with activists on board the vessels."

Free Gaza Flotilla

(U) Purpose: Provide CJCS an update on Israel Defense Forces engagement with the Free Gaza Flotilla on 31 May 10 in preparation for phone call from LTC Ashkenazi.

- (Israel) Def. Min. Barak and CHOD Lt. G. Ashkenazi press releases.
- "We express our regret over injuries... organizers/participants are fully responsible"
- "ISR wants peace; don't allow incident to disrupt productivity talks"
- "Violence encountered necessitated acts of self-defense"

Background: The Free Gaza Flotilla was established to deliver humanitarian aid to Gaza as well as publicize the effort across the region. This is the 4th Free Gaza Movement Flotilla to challenge the Israeli Navy.

(b)(1), Sec. 1.4(b), Sec. 1.4(d)

- (U) OJCS/JC and JS reviewed situation, determined no basis for action by DoD forces as no laws/regulations were being violated.
- (U) Proposed COA are to attempt contact with US companies and vessels to issue an advisory of the situation and recommendation to comply with all lawful direction from appropriate authorities. NSS and State are also involved.

(b)(3) 50 USC 403-11

(b)(3):50 USCA 403-11(j)

Key Position:

- (U) ISR has stated from the beginning they would not allow the ships to enter Gaza but would divert/escort the flotilla to the Port of Ashdod, where the goods would be off-loaded, security checked, and transported to Gaza by other means (overland).
- (U) The IDF operation was aimed at preventing an unsupervised infiltration of people and cargo to Gaza.

Current Situation:

- (U) At approx 310130Z May, Israeli Defense Forces boarded Turkish MV MAVI MARMARA, lead ship in the flotilla; intercept occurred in international waters (approx 7nm off Huda). IDF commandos boarded via Israeli BLACKHAWK rope drops under cover of darkness.
- (U) Approx 30 activists onboard MAVI MARMARA had cameras and reported that IDF Commandos started shooting "the minute their feet hit

the deck". Videos were immediately posted online. BBC/Al Jazeera reported Israeli Army confirmed at least 10 deaths; more recent news reports have death toll as high as 15, with injuries (including IDF) as high as 50. (U) Turkey's PM has condemned the attack; large protests (over 100,000) have begun in Turkey. Several nations are summoning the Israeli AMBA.

- (U) At 0800Z Israel's Dep. PM held 3 press conferences, claiming weapons were on board, the ships are prepared to retaliate against Israeli forces.
- Flotilla may include several high profile AJCITG to include: Ambassador Edward Pack, former Chief of Mission in Mauritania and Iraq. In total, approx 750 activists got sail from Iceland, Greece, and Turkey, reportedly carrying 10,000 tons of humanitarian supplies.
- (U) Danny Ayalon, Israeli Dep. PM, delivered remarks via CNN to counter expected allegations of Israeli aggression against the humanitarian relief workers. ISH maintains they offered Free Gaza the opportunity to bring in "approved" goods via the port of Ashdod to Gaza. However, Free Gaza did not accept the offer as many of the supplies they want to bring in are on the list of 2000 banned items to include cement, paper, water filtration systems, etc.
- (U) In Turkey, anti-Israeli protests/demos occurred at the Israeli Embassy in Ankara; (U) Turkey's security forces responded and are maintaining control.

(b)(1), Sec. 1.4(b), Sec. 1.4(d)

- (U) The first vessel has made it to Ashdod. One US-Flagged/owned yacht, Challenger 1, is part of the flotilla and is expected to enter Ashdod as well.
- (U) Turkey has cancelled 3 upcoming military exercises with ISR. The IDF's prior anti-Avdygamaht might jeopardize previously unpublicized bilateral exercises.

Way Forward:

- Additional Free Gaza Movement vessels e.g., MV RACHEL CORRIE (currently close to Malta) approach Gaza; IDF will again interdict.
- HAMAS gov't will exploit incident to paint Israel in bad light and re-emphasize Israeli "blockade" as reason for hardships in Gaza. Mass demonstrations likely; HAMAS may join Syria or other likeminded states in calling for UN action; HAMAS is unlikely to break cease-fire over this incident.
- Seek clarification on why boarding happened in international waters.
- Encourage ISR to work with Turkey as relationship is already strained.
- Seek information regarding US-owned/US-Flagged vessels and status of American citizens involved.
- (b)(3):10 USC 6424 working with DoS to determine status of AMGITs.
- Express concern for possible 2nd and 3rd order effects of incident (e.g. tensions in S. Lebanon/Hezbollah; rocket attacks; attacks on Israeli embassies worldwide, etc.).

(U) "Freedom Flotilla II (FF2) - Stay Human" will hold a press conference on Monday, 27 Jun at 12:00 PM Athens time (0900 GMT) in Athens to announce their intentions. Previously, lead organizers have announced their intent to set sail on Tuesday, 28 Jun. (Open Source)

(b)(1), Sec. 1.4(c)

- **(U)** On 23 Jun, the Republic of Cyprus Ministry of Communications and Works said that the Government's decree, which forbids ships from sailing from Cyprus to Gaza, remains in force. The Ministry also recalled the joint initiative of Cyprus and Greece to send humanitarian aid to Gaza from Cyprus, which is still in force. The Government's decision to forbid the sailing of ships from Cyprus to Gaza seeking to break the siege was announced on May 28, 2010. The Government said its decision was taken with a view to serving the vital interests of the country. (STATE)

- **(U)** On 23 Jun, Israeli UN AMB Ron Prosor said "Israel is determined to stop the flotilla seeking to break Israel's naval blockade of the Gaza Strip." Riyad Mansour, Permanent Observer of Palestine to the UN, refuted Prosor's remarks saying that the flotilla "is necessitated by the blockade that Israel has imposed since Hamas took over the area in 2007." He went on to call the blockade "immoral" and "illegal". (Press, 23 Jun)

- **(U)** On 22 Jun, US STATE Dept warned US citizens against taking part in the flotilla and to avoid all travel to the Gaza Strip, citing threats to themselves as well as US interests. (STATE)

Assessment: In spite of US and European official warnings against travelling to Gaza or challenging Israel's blockade, determined activists are continuing their plans to depart for Gaza. (JAC, ONI)

(U) The international "Freedom Fleet II (FF2) - Stay Human" will include 10 ships, at least two of which are cargo boats carrying aid, while the rest are passenger ships carrying hundreds of people, among them, politicians, MEPs, writers, religious faith representatives, people of arts and culture and activists. Press releases indicates many TV crews will be also on board (CNN, NBC, Al-Jazeera, et al) as well as journalists sent by various world media and newspapers. "Stay Human" was selected in honor of 28 year old Italian pro-Palestinian activist Vittorio Arrigoni, who was killed 14 Apr 2011 after being kidnapped in Gaza City by Salafist radicals.

-(U) On 28 Jun, Israel Defense Ministry proposed confiscating the ships that attempt to break the naval blockade to Gaza, a move aimed at deterring future flotillas. Israeli press reporting indicates IDF claims they have intelligence showing some flotilla participants are planning to use violence and possibly chemical weapons against the troops. Flotilla members claim this is an attempt to justify IDF violence. (Source: Jerusalem Post)

(b)(1)

-(U) On 27 Jun, the Israeli "Lawfare" Group took responsibility for lodging the complaint against flotilla ship AUDACITY OF HOPE. Free Gaza Movement (FGM) organizers and AUDACITY OF HOPE passengers believe the complaint was frivolous and are now confident the Greek government will allow them to depart Greece.

-(U) On 27 Jun, the "Freedom Flotilla II (FF2) – Stay Human" press conference occurred in Athens but no specific ship names, departure dates, launch times, or rendezvous date, time, or area were revealed. Organizers also withheld the length of time the flotilla would remain at the rendezvous area before heading south. In short, FF2 spokespersons stated the flotilla will press forward with their departure plans despite Israel's warnings.

C187539-10

-(U) On 27 Jun, after two days of closed-door meetings, the Israeli ministers committee on security affairs voted in favor of the navy plans to stop the FF2 flotilla from breaching the Israeli imposed naval blockade on the Palestinian territory, giving the army authority to use "all necessary means" during the operation. The Israeli cabinet has ordered Israeli troops to operate with "maximal restraint and avoid clashes with activists on board the vessels."

(U) Political Developments:

- (U) On 29 Jun number of expected participants reportedly went from 1,500 to 350. The Israeli government was hopeful that a continued delay of the launch of the Gaza bound flotilla will lead to a further drop in the number of vessels and participants. The more the organizers and participants have to run in place in Athens, the better is for Israel, one official said. Bureaucratic delays, strikes at Greek ports and damaged ships continue to delay the flotilla, which was originally scheduled to set sail at mid-week. (Source: JPost.com)

- (U) On 29 Jun Defense Minister Ehud Barak tried downplaying Israeli worries about Gaza flotilla. Barak told a local television channel that while he has directed the IDF to stop the flotilla by force, if necessary, he believed that while pockets of resistance were possible the flotilla participants this year would be less violent than last year's. According to the open source, political and military leaders are in fact more worried about the implications of the state prosecutor's report on the raid on 2010's Gaza flotilla, a draft of which was recently submitted to senior officials. (U//FOUO) According to USG publically available maritime databases, the M/V AUDACITY OF HOPE has been confirmed as a US flagged vessel, licensed in Delaware, registration number DL2884AF. The vessel has been assigned SC ONUM R33479. The vessel is not US Coast Guard documented, nor has it been inspected by USCG. (ONI, USCG)

(U) According to open source information, passengers onboard M/V AUDACITY OF HOPE, sponsored by the US Boat to Gaza, claimed the vessel could set sail even if it did not receive permission to leave port from Hellenic officials. Earlier, complaints were lodged against the vessel necessitating proof of seaworthiness. (CBS News)

(U) According to open source information, the Israeli Navy (INF) has established two operating rooms within the mess decks of INF surface combatants to help deal with casualties that could occur while interdicting "Freedom Flotilla 2" vessels. The INF also expects to have military Med-Evac flights available and on stand-by to evacuate any personnel to shore, and the Israeli Defense Force (IDF) Medical Corps will deploy onboard ships and to Ashdod port. Earlier, complaints were lodged against the vessel necessitating proof of seaworthiness. (CBS News, Twitter, A US Boat to Gaza website)

- (U) According to open source information, the Israeli Navy (INF) has established two operating rooms within the mess decks of INF surface combatants to help deal with casualties that could occur while interdicting "Freedom Flotilla 2" vessels. The INF also expects to have military Med-Evac flights available and on stand-by to evacuate any personnel to shore, and the Israeli Defense Force (IDF) Medical Corps will deploy onboard ships and to Ashdod port. - (U) On 29 Jun number of expected participants reportedly went from 1,500 to 350. The Israeli government was hopeful that a continued delay of the launch of the Gaza-bound flotilla will lead to a further drop in the number of vessels and participants. The more the "organizers and participants have to run in place in Athens," the better is for Israel, one official said. Bureaucratic delays, strikes at Greek ports and damaged ships continue to delay the flotilla, which was originally scheduled to set sail at mid-week. (Source: JPost.com)

- (U) On 29 Jun Defense Minister Ehud Barak tried downplaying Israeli worries about Gaza flotilla. Barak told a local television channel that while he has directed the IDF to stop the flotilla by force, if necessary, he believed that while pockets of resistance were possible the flotilla participants this year would be less violent than last year's. According to the open source, political and military leaders are in fact more worried about the implications of the state comptroller's report on the raid on 2010's Gaza flotilla, a draft of which was recently submitted to senior officials. (Source: Haaretz.com)

(b)(1), 1.4
(c), 1.4 (d)

(b)(1), Sec. 1.4(c), Sec. 1.4(d)

- (U) On 28 Jun, Israel Defense Ministry proposed confiscating the ships that attempt to break the naval blockade to Gaza, a move aimed at deterring future flotillas. Israeli press reporting indicates IDF claims they have intelligence showing some flotilla participants are planning to use violence and possibly chemical weapons against the troops. Flotilla members claim this is an attempt to justify IDF violence. (Source: Jerusalem Post)

(b)(1)

- (U) On 27 Jun, the Israeli "Lawfare" Group took responsibility for lodging the complaint against flotilla ship AUDACITY OF HOPE. Free Gaza Movement (FGM) organizers and AUDACITY OF HOPE passengers believe the complaint was frivolous and are now confident the Greek government will allow them to depart Greece.

- (U) On 27 Jun, the "Freedom Flotilla II (FF2) - Stay Human" press conference occurred in Athens; but no specific ship names, departure dates, launch times, or rendezvous date, time, or area were revealed. Organizers also withheld the length of time the flotilla would remain at the rendezvous area before heading south. In short, FF2 spokespersons stated the flotilla will press forward with their departure plans despite Israel's warnings.

- (U) On 27 Jun, after two days of closed-doors meetings, the Israeli ministers committee on security affairs voted in favor of the navy plans to stop the FF2 flotilla from breaching the Israeli-imposed naval blockade on the Palestinian territory, giving the army authority to use "all necessary means" during the operation. The Israeli cabinet has ordered Israeli troops to operate with "maximal restraint and avoid clashes with activists on board the vessels."

(b)(1)

Assessment: As of this writing, Israel continues to apply diplomatic pressure to prevent the flotilla from setting sail. FGM organizers will likely pursue efforts to get the ships underway at varying times. In spite of US and European official warnings against traveling to Gaza or challenging Israel's blockade, determined activists are continuing their training and plans to depart for Gaza. (S//REL TO USA, GBR)

- (U) On 22 Jun, USDOS warned US citizens against taking part in the flotilla and to avoid all travel to the Gaza Strip, citing threats to themselves as well as US interests. (STATE)

(U) The international "Freedom Flotilla II (FF2) - Stay Human" will include at least 10 ships, at least two of which are cargo boats carrying aid, while the rest are passenger ships carrying hundreds of people, among them, politicians, MEPs, writers, religious faith representatives, people of arts and culture and activists. Press releases indicates many TV crews will be also on board (CNN, NBC, Al-Jazeera, et al) as well as journalists sent by various world media and newspapers. "Stay Human" was selected in honor of 36-year old Italian pro-Palestinian activist Vittorio Arrigoni, who was killed 14 Apr 2011 after being kidnapped in Gaza City by Salafist radicals.

- (U) On 6 Jul, the Palestinian news agency Wafa reported that some 40 organizations have confirmed their participation in the "Welcome to Palestine" campaign to be carried out between 8-16 Jul. Activists from around the world, though mainly from Europe, plan to land at Ben Gurion International Airport to tour Jerusalem, Ramallah, Bethlehem, and the Jordan Valley.

Assessment: Israel's Foreign Ministry, Aviation Authority, Internal Security Ministry, police, and Prime Minister's Office are expecting some 500 activists and are preparing for the pro-Palestinian fly-in. An Israeli Public Security Ministry official states that activists identified at the airport as seeking provocation will not be allowed in Israel and will be sent back to their countries. Those who riot at the airport or refuse to head back will be transferred to a special airport facility or turned over to the Prison Service. (Press, 6 Jul)

(U) The International "Freedom Flotilla II (FF2) – Stay Human" will include at least 10 ships, at least two of which are cargo boats carrying aid, while the rest are passenger ships carrying hundreds of people, among them, politicians, MEPs, writers, religious faith representatives, people of arts and culture and activists. SITREP follows:

BLUF: As of this writing, Freedom Flotilla II (FF2) has not formed and all participating vessels are assessed to be in port.

Israel's strategy of soliciting Greek government assistance to stall and/or halt FF2's departure has been successful to date. During FF2 press conferences on 5 and 6 July, organizers voiced their frustrations and denounced the Greek government's actions and policies forbidding ships of the flotilla to leave Greek ports. They claimed Greece has extended the Israeli siege of Gaza to Greek waters. FF2 organizers stated that they are continuing to ready their vessels for sea in full compliance with Greek Port Authority direction/regulations and stated that the flotilla will not sail until Monday, 11 Jul.

Open source reporting indicated M/V Jullano arrived in Kythira, Greece the evening of 7 July; additional open source reporting indicated the vessel departed Kythira on 8 Jul and was en route to Heraklion, but was denied entry into all ports within Crete, except for Souda Bay. We assess Jullano is now en route to Souda Bay and continues to be shadowed by the Hellenic Coast Guard.

Open source reporting also indicated that the M/V FINCH has offloaded her cargo in El Arish and is no longer part of the flotilla.

(U) The international "Freedom Flotilla II (FF2) - Stay Human" will include 10 ships, at least two of which are cargo boats carrying aid, while the rest are passenger ships carrying hundreds of people, among them, politicians, MEPs, writers, religious faith representatives, people of arts and culture and activists. Press releases indicates many TV crews will be also on board (CNN, NBC, Al-Jazeera, et al) as well as journalists sent by various world media and newspapers. "Stay Human" was selected in honor of 36-year old Italian pro-Palestinian activist Vittorio Arrigoni, who was killed 14 Apr 2011 after being kidnapped in Gaza City by Salafist radicals.

- (U) According to open source information, passengers onboard M/V AUDACITY OF HOPE, sponsored by the US Boat to Gaza, followed through on their claim that the vessel could set sail even if it did not receive permission to leave port from Hellenic officials. 01 July the vessel did, in fact, attempt to depart Piraeus, Greece although was stopped by the Hellenic Coast Guard and forced to return to port. Earlier, complaints were lodged against the vessel necessitating proof of seaworthiness. (CBS News, Twitter, A US Boat to Gaza website)

- (U) According to open source information, the Israeli Navy (INP) has established two operating rooms within the mess decks of INP surface combatants to help deal with casualties that could occur while interdicting "Freedom Flotilla 2" vessels. The INP also expects to have military Med-Evac flights available and on stand-by to evacuate any personnel to shore, and the Israeli Defense Force (IDF) Medical Corps will deploy onboard ships and to Ashdod port. - (U) On 29 Jun number of expected participants reportedly went from 1,500 to 350. The Israeli government was hopeful that a continued delay of the launch of the Gaza-bound flotilla will lead to a further drop in the number of vessels and participants. The more the "organizers and participants have to run in place in Athens," the better it is for Israel, one official said. Bureaucratic delays, strikes at Greek ports and damaged ships continue to delay the flotilla, which was originally scheduled to set sail at night-week. (Source: JPost.com)

- (U) On 29 Jun Defense Minister Ehud Barak tried downplaying Israeli worries about Gaza flotilla. Barak told a local television channel that while he has directed the IDF to stop the flotilla by force, if necessary, he believed that while pockets of resistance were possible the flotilla participants this year would be less violent than last year's. According to the open source, political and military leaders are in fact more worried about the implications of the state comptroller's report on the raid on 2010's Gaza flotilla, a draft of which was recently submitted to senior officials. (b)(1),Sec. 1.4(c),Sec. 1.4(d)

- (U) On 28 Jun, Israel Defense Ministry proposed confiscating the ships that attempt to break the naval blockade to Gaza, a move aimed at deterring future flotillas. Israeli press reporting indicates IDF claims they have intelligence showing some flotilla participants are planning to use violence and possibly chemical weapons against the troops. Flotilla members claim this is an attempt to justify IDF violence. (Source: Jerusalem Post)

(b)(1)

- (U) On 27 Jun, the Israeli "Lawfare" Group took responsibility for lodging the complaint against flotilla ship AUDACITY OF HOPE. Free Gaza Movement (FGM) organizers and AUDACITY OF HOPE passengers believe the complaint was frivolous and are now confident the Greek government will allow them to depart Greece.

- (U) On 27 Jun, the "Freedom Flotilla II (FF2) - Stay Human" press conference occurred in Athens but no specific ship names, departure dates, launch times, or rendezvous date, time, or area were revealed. Organizers also withheld the length of time the flotilla would remain at the rendezvous area before heading south. In short, FF2 spokespersons stated the flotilla will press forward with their departure plans despite Israel's warnings.

- (U) On 27 Jun, after two days of closed-doors meetings, the Israeli ministers committee on security affairs voted in favor of the navy plans to stop the FF2 flotilla from breaching the Israeli-imposed naval blockade on the Palestinian territory, giving the army authority to use "all necessary means" during the operation. The Israeli cabinet has ordered Israeli troops to operate with "maximal restraint and avoid clashes with activists on board the vessels."

(b)(1), Sec. 1.4(c)

- (U) On 22 Jun, USOOS warned US citizens against taking part in the flotilla and to avoid all travel to the Gaza Strip, citing threats to themselves as well as US interests. (STATE)
