Subject: 3pm Update from ACS TLV: Amcit update Freedom Flotilla Coalition

As of 3pm local time, we are unaware of any Amcit injured/dead in the incident. We will continue to check and advise if any updates. Post has been in touch with all major hospitals who are receiving wounded. We have biodata on 18 Amcits presumed to have been on the ships; please see attached Amcit passenger spreadsheet with corrected biodata. We will continue to seek access to any detained Amcits.

According to the Ministry of Health spokesman, Yair Amitam, most of the injured are unidentified, since they are currently in the opearting room, or do not have identification on them. The MOH will advise us if they become aware of any injured Amcits. Regarding the dead, he could not provide any information.

According to press reports, passengers from the first vessel have already been transferred from a detention facility in Beer Sheva. The Mavi Marmara is expected into Ashdod at 7pm.
