**MEMORANDUM IN SUPPORT OF THE MOTION OF DEFENDANTS
CACI INTERNATIONAL INC AND CACI PREMIER TECHNOLOGY, INC.,
FOR LEAVE TO FILE SUPPLEMENTAL MEMORANDUM IN SUPPORT
OF THEIR MOTION TO DISMISS PLAINTIFFS' AMENDED COMPLAINT**

On December 11, 2008, the United States Senate Armed Services Committee issued the executive summary of its *Inquiry into the Treatment of Detainees in U.S. Custody*. See Koegel Decl., Ex. A (the "Report"). The Report details the involvement of the highest levels of the United States government and United States military in formulating and implementing the policies and practices for the interrogation of detainees held by the United States in Iraq. The Report concludes that the detainee abuse at Abu Ghraib was the byproduct of policies spawned by a 2002 memo, signed by President Bush, declaring that the Geneva Conventions for humane treatment of detainees did not apply to enemy fighters in the war on terror. The Report chronicles Secretary Rumsfeld's approval of aggressive interrogation techniques for Guantanamo, including removing prisoners' clothes, stress positions, and exploitation of fears (such as by using dogs). The military, the Report continues, subsequently adopted similar

practices for Afghanistan and Iraq, including at Abu Ghraib. The Report provides direct and compelling support for the political question argument presented in CACI's motion to dismiss.

Defendants CACI International Inc and CACI Premier Technology, Inc. (collectively, "CACI") respectfully seek leave to file a supplemental memorandum, attached as Exhibit 1 to CACI's motion, in support of their motion to dismiss Plaintiffs' Amended Complaint. The supplemental memorandum would address the findings of the Report and explain how the Report demonstrates that Plaintiffs' claims: (1) would require the Court to determine questions constitutionally committed to the political branches; (2) involve questions for which there are no judicially manageable and discoverable standards; and (3) would require initial policy determinations appropriately left to the President and Congress.

For these reasons, CACI respectfully submits that the Court should grant CACI leave to file its proposed supplemental memorandum.

Respectfully submitted,

/s/ J. William Koegel, Jr.
