**PETITION FOR WRIT OF HABEAS CORPUS**

GUAN-2005-T02452

To Whom It May Concern:

It's been a while since any person showed up to discuss this case with him; it's the case of my detention on the island of Guantanamo. I'm not familiar with the processes that go on behind the stages. Here we are, sending you the so-called petition, Writ of habeas corpus. And I don't know any details about it. I have asked the camp administration for a lawyer about four to six months ago and there was no attention given to the matter. Please, send a lawyer with either a verbal or written message [in response] to this letter so that I can be understand that the petition is and what this court is all about. No ruling but that of Allah.
