Since this is 3rd party info, we can't share it. We are sending you an EC with  
what [redacted] found, but there is no tear line. Can you verbally tell them we have nothing or  
should we do a brief [redacted] saying we have nothing? I don't want to appear uncooperative with them, so  
should we say all our info is third party? I'd appreciate any guidance you can offer on this. b7E
