INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Center for Constitutional Rights
New York, New York

We have audited the accompanying financial statements of Center for Constitutional Rights, which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Center for Constitutional Rights as of June 30, 2015 and the changes in its net assets and its cash flows for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

NOTE 1 ORGANIZATION

Center for Constitutional Rights ("CCR") is a non-profit legal and educational organization dedicated to advancing and protecting the rights guaranteed by the United States Constitution and the Universal Declaration of Human Rights. Founded in 1966 by attorneys who represented civil rights movements in the South, CCR is committed to the creative use of law as a positive force for social change.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below:

Support

Unconditional promises to give are recorded as received. Unconditional promises to give due in the next year are reflected as current promises to give and are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reflected as long-term promises to give and are recorded at the present value of their net realizable value, using risk-adjusted interest rates applicable to the years in which the promises are received to discount the amounts.

Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Endowment contributions and investments are permanently restricted by donor. Investment earnings with donor restrictions are recorded in temporarily or permanently restricted net assets based on the nature of the restrictions.

Cash and Cash Equivalents

Cash consist of cash held in checking and money market accounts. CCR considers all highly liquid instruments purchased with a maturity of three months or less and money market funds to be cash equivalents.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the statement of financial position. The basis of determining the fair value of investments is the readily determinable sales price of the investments based on prices or quotations from over-the-counter markets.

Board and donor designated endowment investments are classified as non-current regardless of maturity date due to restrictions limiting CCR's ability to use these investments.

CENTER FOR CONSTITUTIONAL RIGHTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Investment income or loss (including gains and losses on investments, interest and dividends) is included in the statement of activities. Realized and unrealized gains and losses allocated to the unrestricted, temporarily and permanently restricted net assets are recognized as incurred. They are recorded in the Statement of Activities as income or loss in accordance with donors restrictions.

Fixed Assets

All major acquisitions of fixed assets are capitalized and depreciated over their estimated useful lives using the straight-line method.

Charitable Gift Annuities

Annuity agreements are issued in exchange for a payment that constitutes part charitable contribution and part purchase of an annuity, providing for payments to the stated annuitant(s) during their lifetime(s). These agreements constitute a general obligation of CCR. The gift portion of annuities and investment reserves in excess of liabilities are reported as unrestricted net assets-reserve for annuity payment liability.

Annuity Payment Liability

Annuity payment liability represents actuarially determined liabilities for obligations of gift annuity contracts.

Financial Statement Presentation

The classification of an organization's net assets and its support, revenue and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of the three classes of net assets, permanently restricted, temporarily restricted and unrestricted, be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities. The classes of net assets are defined as follows:

Permanently Restricted - Net assets resulting from contributions and other inflows of assets whose use by CCR is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of CCR.

Temporarily Restricted - Net assets resulting from contributions and other inflows of assets whose use by CCR is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of CCR pursuant to those stipulations. When such stipulations end or are fulfilled, such temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities.

Unrestricted - Board Designated Funds - Net assets consist of all monies or assets contributed to CCR which are designated by the Board of Directors to provide long-term financial support.

Unrestricted - Reserve for Annuity payment liability - Net assets reserves to fund future payments to annuitants.

CENTER FOR CONSTITUTIONAL RIGHTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Unrestricted - Operating - The part of net assets that is neither permanently nor temporarily restricted by the Board or donor-imposed stipulations.

Non-Cash Contributions

Materials and other assets received as donations are recorded and reflected in the accompanying financial statements at their fair values at the date of receipt.

Grant Expenses

Contributions made and unconditional promises to give are recognized as expenses in the period made at their fair value.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

CCR is exempt from income taxes under Section 501(c)3 of the Internal Revenue Code and similar provisions of the State Code. Income determined to be unrelated business income is taxable.

Accounting for Uncertainty in Income Taxes

CCR adopted *Financial Accounting Standards Board* ("FASB") guidance on uncertain income tax positions in its financial statements. CCR recognizes the effect of tax positions only when they are more likely than not of being sustained. Management is not aware of any violation of its tax status as an organization exempt from income taxes, nor of any exposure to unrelated business income tax. CCR is no longer subject to federal or state and local income tax examinations by tax authorities for the year ended June 30, 2012 and prior years.

NOTE 9 ENDOWMENT NET ASSETS

CCR's endowment consist of several individual funds established for a variety of purposes and includes both donor-restricted endowment funds and funds designated by the board of trustees to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the board of trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of trustees of CCR may appropriate for expenditures or accumulate so much of an endowment fund as CCR determines as prudent for the uses, benefits, purposes and duration for which the fund was established, subject to the intent of the donor as expressed in the gift instrument.

NOTE 9 ENDOWMENT NET ASSETS - (Continued)

Unless stated otherwise in the gift instrument, the assets in an endowment fund shall be donor-restricted assets until appropriated for expenditures by the board of trustees. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditures in a manner consistent with the standard of prudence prescribed by the New York Prudent Management of Institutional Funds Act (NYPMIFA).

Endowment funds by net assets classification as of June 30, 2015 are as follows:

NOTE 10 CHARITABLE GIFT ANNUITY

CCR entered into charitable gift annuity contracts with several donors. The agreements provide for, among other matters, annuity payments over the lifetime of the individual donors or their designated beneficiary or beneficiaries. Annuity payment liability represents actuarially determined liabilities for obligations of gift annuity contracts. As of June 30, 2015, annuity payment liability was \$593,679. Adjustments to the annuity payment liability to reflect amortization of discount and changes in the life expectancy of the beneficiaries are recognized in the statement of activities as changes in value of split-interest agreements in the unrestricted net assets. Changes in value of split-interest agreements were \$46,876 for the year.

NOTE 10 CHARITABLE GIFT ANNUITY - (Continued)

On August 5, 2008, State of New York Insurance Department (the "Department") issued a regulation regarding reserves being held by charitable organizations in support of gift annuities. The regulation requires, among other things, the minimum reserve held must be at least as great as 115% of the reserve calculated using the Department's prescribed method.

Gift assets are separately invested by CCR in annuity and reserve accounts for New York and California. As of June 30, 2015, the annuity and reserve accounts had a balance of \$1,436,433 in the account for New York and \$189,021 in the account for California, which exceeded the States' required reserve amounts of \$752,137 by \$873,317.

The excess of the annuity and reserve assets over annuity payment liability of \$1,031,775 is reflected as reserve for annuity payment liability in the unrestricted net assets in the statement of financial position.

NOTE 11 PENSION PLAN

CCR sponsors a defined contribution pension plan that covers all employees who have completed one year of service. Contribution to the plan is based on one (1) percent of employees' salaries. Pension expenses for the year included contributions for the year ended June 30, 2015 of \$45,473 and retroactive adjustments for the years ended June 30, 2012 and 2013 of \$27,889.

NOTE 12 FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs, fund raising and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the program and fund raising activities benefitted.

NOTE 13 FAIR VALUE MEASUREMENTS

CCR follows FASB guidance on *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. As defined in FASB *Accounting Standards Codification* ("ASC") 820, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price).

CCR utilizes market data or assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in the inputs to the valuation technique.

NOTE 13 FAIR VALUE MEASUREMENTS - (Continued)

CCR's assessment of the significance of a particular input to the fair value measurements requires judgment and may affect the valuation of fair value of assets and liabilities and their placement within the fair value hierarchy levels.

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, maximizes the use of observable inputs, and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

The three levels of fair value hierarchy are as follows:

- Level 1: Unadjusted quoted prices in active markets for identical assets and liabilities.
- Level 2: Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets or quoted market prices for identical assets and liabilities in inactive markets.
- Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

The following methods and assumptions were used by CCR in estimating its fair value disclosures for financial instruments:

- Cash, cash equivalents and short-term unconditional promises to give: The carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.
- Investments and endowment investments: The fair values of investments are based on quoted market prices for those or similar investments.
- Long-term unconditional promises to give: The fair value of promises to give that are due in more than one year is estimated by discounting expected future cash flows using a discount rate of 3.25%, the prime rate as of June 30, 2015.

The estimated fair values of CCR's financial instruments are as follows:

	<u>Carrying Amount</u>	<u>Fair Value</u>
Financial Assets:		
Cash and cash equivalents	\$ 2,898,749	\$ 2,898,749
Investments	1,719,259	1,719,259
Pledges, grants and contributions receivable - Unconditional promises to give	1,060,897	1,060,897
Endowment investments	1,340,960	1,340,960

NOTE 13 FAIR VALUE MEASUREMENTS - (Continued)

The estimated fair values of CCR's financial instruments are as follows:

	<u>Fair Value</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>
Equity securities	\$ 1,863,164	\$ 1,863,164
Mutual funds	403,956	403,956
Corporate debt securities	732,415	732,415
U.S. Government obligations	60,684	60,684

NOTE 14 CONCENTRATIONS OF CREDIT RISK

Financial instruments, which potentially subject CCR to concentrations of credit risk, consist of cash, money market accounts and investment securities.

CCR maintains its cash in three bank accounts in a single financial institution which, at times, may exceed federally insured limits. CCR has not experienced any losses in such accounts.

CCR maintains money market and investment accounts with two creditworthy, high-quality financial institutions. CCR has significant investments in stocks, bonds, and mutual funds and therefore, is subject to concentrations of credit risk. Investments are made by investment managers engaged by CCR and the investments are monitored for CCR by the investment advisors. Although the fair value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of CCR.

NOTE 15 SUBSEQUENT EVENTS

CCR evaluated subsequent events through September 14, 2015, which is the date the financial statements were available to be issued. No subsequent events were identified that required adjustment to or disclosure within the financial statements.
