Subject:	Spain: Gaza Flotilla participation
Carl And Collecter Coll Pacel	-pante same i totina participation

- 1. (U) A Spanish coalition called, "On the Way to Gaza" plans to participate in the second international Gaza flotilla, now postponed from a mid-May sailing to early June. The Spanish Group raised approximately funds to buy a small boat, but reportedly still needs to raise money for fuel. A group of 80 Spaniards will reportedly join the flotilla, including left-wing Euro MP Willey Meyer and the Initiative for Catalonia Greens Party Euro MP Raul Romeva. Spanish actor Willy Toledo and activists Laura Arau, Maria del Mar Fernández and Manuel Tapial are supposed to be among them. Former UNESCO Director, Federico Mayor Zaragoza, has expressed his public support for the initiative.
- 2. (U) Spanish dailies El Mundo and El Pais report that Israeli PM Netanyahu called President Zapatero last on May 9, to ask him to maintain Europe's firmness with Hamas and to prevent the participation of Spaniards in the second Freedom Flotilla. FM Jiménez said in Istanbul on May 11 that diplomacy "is more useful" than the Freedom Flotilla to lift the Israel embargo to the Gaza Strip.
- 3. (U) The Spanish NGO "Culture, Peace, and Solidarity," a member of the above-mentioned coalition, has asked the GOS to take the necessary diplomatic steps to protect them. Some of the Spanish participants met with MFA officials who "warned them about the dangers of the operation. Many EU countries are giving their advice following that line. There is not enough security to send the flotilla." On May 11 the MFA included in its travel advisory on the Palestinian Territories a note advising against boarding any ships participating in the "On the Way to Gaza" initiative, because of the serious danger that participants could face. The Ministry advised that any humanitarian assistance should be by land, respecting authorized channels. In any event, FM Jim énez said that in the event of a new Israeli attack, the obligation of her Ministry "is to protect Spanish citizens."

The tragic M/V Mavi Marmara flotilla incident in May 2010 has led to calls for a possible 'anniversary flotilla' that may attempt to sail directly to Gaza. We have expressed our concern to your government and others about this. Existing arrangements allow for the inspection and transit of aid goods via land and should be utilized.

At the current session, we expect to see two anti-Israel efforts. First, there will be yet another follow-up resolution regarding the May 2010 Gaza Flotilla incident, proposed by Turkey. The U.S. is the only HRC member that has consistently opposed this effort, and the Turks expect us to be alone in voting against their resolution.

14. (Japan, South Korea, Thailand ONLY) Israel Talking Points:

- The United States continues to work to normalize Israel's relationship with the Council and prevent it from continuing to be unfairly singled out. This session will include another follow-up resolution on the May 31 2010 Gaza Flotilla incident. The United States was opposed to Resolution 14/1, which handed this Fact-Finding Mission a flawed mandate -something the Mission itself acknowledged in its September report. The U.S. has also opposed the past two follow-up resolutions. We urge that Human Rights Council not be used for actions that could disrupt the peace efforts or actions that could make it harder for Israel and Turkey to move beyond the recent strains in their historically strong bilateral relationship. we expect to see two anti-Israel efforts. First, there will be yet another follow-up resolution regarding the May 2010 Gaza Flotilla incident, proposed by Turkey. The U.S. is the only HRC member that has consistently opposed this effort, and the Turks expect us to be alone in voting against their resolution.

This session will include another follow-up resolution on the May 31 2010 Gaza Flotilla incident. The United States was opposed to Resolution 14/1, which handed this Fact-Finding Mission a flawed mandate -something the Mission itself acknowledged in its September report. The U.S. has also opposed the past two follow-up resolutions. We urge that Human Rights Council not be used for actions that could disrupt the peace efforts or actions that could make it harder for Israel and Turkey to move beyond the recent strains in their historically strong bilateral relationship.
