Dear Ms. Gallagher,

In response to your request dated July 6, 2016, under the Freedom of Information Act (the "FOIA"), 5 U.S.C. § 552, the Department of State undertook a supplemental review of previously released document C18750311 (StateDept1172-1177). The document is released again herein with two changes. The reference to "Dogan's" family has been unredacted on the first page and the names "Dogan" and "Furkan" have been unredacted on the second page.

The document has again been released in part. All non-exempt material that was reasonably segregable from the exempt material was released. Where we have made excisions, the applicable exemptions are marked on the document. An enclosure provides information on FOIA exemptions and other grounds for withholding material.

We will keep you advised as your case progresses. If you have any questions, your attorney may contact Assistant U.S. Attorney Jean-David Barnea at (212) 637-2679 or at Jean-David.Barnea@usdoj.gov.

Sincerely,

Susal! Weltman For

Subject: 3pm Update from ACS TLV: Amcit update Freedom Flotilla Coalition

As of 3pm local time, we are unaware of any Amcit injured/dead in the incident. We will continue to check and advise if any updates. Post has been in touch with all major hospitals who are receiving wounded. We have biodata on 18 Amcits presumed to have been on the ships; please see attached Amcit passenger spreadsheet with corrected biodata. We will continue to seek access to any detained Amcits.

According to the Ministry of Health spokesman, Yair Amitam, most of the injured are unidentified, since they are currently in the opearting room, or do not have identification on them. The MOH will advise us if they become aware of any injured Amcits. Regarding the dead, he could not provide any information.

According to press reports, passengers from the first vessel have already been transferred from a detention facility in Beer Sheva. The Mavi Marmara is expected into Ashdod at 7pm.
