MEMORANDUM

TO: Charles E. Samuels, Jr.
   Director
   Federal Bureau of Prisons

FROM: Lanny A. Breuer
       Assistant Attorney General

SUBJECT: Extension of Special Administrative Measures Pursuant to 28 C.F.R. § 501.3 for Federal Bureau of Prisons

Inmate [REDACTED] has been convicted of various terrorism-related crimes, [REDACTED] is currently housed at the Administrative Maximum Penitentiary (ADX) in Florence, Colorado. Because of [REDACTED] proclivity for terrorism, the Attorney General placed [REDACTED] under Special Administrative Measures (SAM), originally effective [REDACTED] The SAM were most recently extended in [REDACTED] and expire on [REDACTED]

The United States Attorney for the Southern District of New York (USA/SDNY) is requesting renewal of the SAM. The Federal Bureau of Investigation (FBI) concurs in this request. In reaching the conclusion that there is a substantial risk that [REDACTED] communications or contacts could result in death or serious bodily injury to others, the USA/SDNY cites [REDACTED] proclivity for violence, as demonstrated by [REDACTED]
SPECIAL ADMINISTRATIVE MEASURES (SAM)  
Pursuant to 28 C.F.R. § 501.3  
Inmate - [redacted]

The USA/SDNY thus has concluded that

Based upon information provided to me of [redacted] proclivity for violence, I find that there is a substantial risk that his communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. Therefore, I am requesting that you, pursuant to 28 C.F.R. § 501.3, continue to implement SAM in order to restrict [redacted] access to the mail, the media, the telephone, and visitors. The SAM will commence immediately upon expiration of the prior SAM authorization period and will be in effect for a period of one year, subject to my further direction.

a. Adherence to Usual United States Marshals Service (USMS), BOP, and Detention Facility (DF) Policy Requirements - In addition to the below-listed SAM, the inmate must comply with all usual USMS, BOP, and non-BOP DF policies regarding restrictions, activities, privileges, communications, etc. If there is a conflict between USMS/BOP/DF policies and the SAM, as set forth herein, where the SAM is more restrictive than usual USMS/BOP/DF policies, then the SAM shall control. If usual USMS/BOP/DF policies are more restrictive than the SAM, then USMS/BOP/DF policies shall control.

b. Interim SAM Modification Authority - During the term of this directive, the Director, Office of Enforcement Operations (OEO), Criminal Division, may modify the inmate's SAM as long as any SAM modification authorized by OEO:

i. Does not create a more restrictive SAM;

ii. Is not in conflict with the request of the USA/SDNY, FBI, or USMS/BOP/DF, or applicable regulations; and

iii. Is not objected to by the USA/SDNY, FBI, or USMS/BOP/DF.

c. Inmate Communications Prohibitions - The inmate is limited, within the USMS/BOP/DF’s reasonable efforts and existing confinement conditions, from having contact (including passing or receiving any oral, written, or recorded communications) with any other inmate, visitor, attorney; or anyone else, except as outlined and allowed by this document, that could reasonably foreseeably result in the inmate’s communicating (sending or receiving) information that could

Inmate -

circumvent the SAM's intent of significantly limiting the inmate's ability to communicate (send or receive) threatening or other terrorism-related information. The USMS/BOP/DF may permit the inmate to communicate with other SAM inmates orally only during certain predesignated times, the place and duration to be set by the USMS/BOP/DF. The inmate shall not have any physical contact with other inmates during this predesignated time and all such predesignated sessions may be monitored and/or recorded. Upon request of the FBI, a copy of the recordings will be provided by the USMS/BOP/DF to the FBI to be analyzed for indications that the inmate is attempting to pass messages soliciting or encouraging acts of terrorism, violence, or other crimes.

d. Use of Interpreters/Translators by USMS/BOP/DF - Interpreter/Translator approval requirement:

i. The USMS/BOP/DF may use Department of Justice (DOJ) approved interpreters/translators as necessary for the purpose of facilitating communication with the inmate.

ii. No person shall act as an interpreter/translator without prior written clearance/approval from the USMS/BOP/DF, which shall only be granted after consultation with the FBI and USA/SDNY.

iii. Interpreters/translators utilized by the USMS/BOP/DF shall not be allowed to engage in, or overhear, unmonitored conversations with the inmate. Interpreters/translators shall not be alone with the inmate, either in a room or on a telephone or other communications medium.

a. Attorney\(^1\) Affirmation of Receipt of the SAM Restrictions Document - The inmate’s attorney (or counsel) – individually by each if more than one – must sign an affirmation acknowledging receipt of the SAM restrictions document. By signing the affirmation, the attorney acknowledges his or her awareness and understanding of the SAM provisions and his or her agreement to abide by these provisions, particularly those that relate to contact between the inmate and his attorney and the attorney’s staff. The signing of the affirmation does not serve as an endorsement of the SAM or the conditions of confinement, and does not serve to attest to any of the factors set forth in the conclusions supporting the SAM. However, in signing the affirmation, the inmate’s attorney, and precleared staff,\(^2\)

---

\(^1\) The term “attorney” refers to the inmate’s attorney of record, who has been verified and documented by the USA/SDNY, and who has received and acknowledged receipt of the SAM restrictions document. As used in this document, “attorney” also refers to more than one attorney where the inmate is represented by two or more attorneys, and the provisions of this document shall be fully applicable to each such attorney in his/her individual capacity.

\(^2\) “Precleared,” when used with regard to an attorney’s staff, or “precleared staff member,” refers to a co-counsel, paralegal, or investigator who is actively assisting the inmate’s attorney with the inmate’s post-sentencing proceedings (including the civil litigation described above), who has submitted to a background check by the FBI and USA/SDNY, who has successfully been cleared by the FBI and USA/SDNY, and who has received a copy of the inmate’s SAM and has agreed – as evidenced by his or her signature – to adhere to the SAM restrictions and requirements. As used in this document, “staff member” also refers to more than (continued...)
acknowledge the restriction that they will not forward third-party messages to or from the inmate.

i. The USA/SDNY shall present, or forward, the attorney affirmation of receipt of the SAM restrictions document to the inmate’s attorney.

ii. After initiation of the SAM and prior to the inmate’s attorney being permitted to have attorney-client privileged contact with the inmate, the inmate’s attorney shall execute a document affirming receipt of the SAM restrictions document and return the original to the USA/SDNY.

iii. The USA/SDNY shall maintain the original of the SAM acknowledgment document and forward a copy of the signed document to OEO in Washington, D.C., and the USMS/BOP/DF.

b. Attorney Use of Interpreters/Translators -

i. Necessity Requirement - No interpreter/translator shall be utilized unless absolutely necessary where the inmate does not speak a common language with the attorney. Any interpreter/translator shall be precleared.3

ii. Attorney Immediate Presence Requirement - Any use of an interpreter/translator by the attorney shall be in the physical and immediate presence of the attorney, i.e., in the same room. The attorney shall not patch through telephone calls, or any other communications, to or from the inmate.

one staff member, and the provisions of this document shall be fully applicable to each such staff member in his or her individual capacity. A “paralegal” will also be governed by any additional DF rules and regulations concerning paralegals.

3 “Precleared,” when used with regard to an interpreter/translator, refers to an interpreter/translator who is actively assisting the inmate’s attorney with the inmate’s post-sentencing proceedings, who has submitted to a background check by the FBI and USA/SDNY, who has successfully been cleared by the FBI and USA/SDNY, and who has received a copy of the inmate’s SAM and has agreed – as evidenced by his or her signature – to adhere to the SAM restrictions and requirements.

LIMITED OFFICIAL USE
iii. Translation of Inmate’s Correspondence - An attorney of record may only allow a federally approved interpreter/translator to translate the inmate’s correspondence as necessary for attorney-client privileged communication.

c. Attorney-Client Privileged Visits - Attorney-client privileged visits may be contact or non-contact, at the discretion of the USMS/BOP/DF.

d. Attorney May Disseminate Inmate Conversations - The inmate’s attorney may disseminate the contents of the inmate’s communication to third parties for the sole purpose of providing necessary legal services related to the inmate’s post-conviction proceedings – and not for any other reason – on the understanding that any such dissemination shall be made solely by the inmate’s attorney, and not by the attorney’s staff.

e. Unaccompanied Attorney’s Pre-cleared Paralegal(s) May Meet With Client - The inmate’s attorney’s pre-cleared paralegal(s) may meet with the inmate without the need for the inmate’s attorney to be present. An investigator or interpreter/translator may not meet alone with the inmate. These meetings may be contact or non-contact, at the discretion of the USMS/BOP/DF.

f. Simultaneous Multiple Legal Visitors - The inmate may have multiple legal visitors provided that at least one of the multiple legal visitors is the inmate’s attorney or precleared paralegal. These meetings may be contact or non-contact, at the discretion of the USMS/BOP/DF.

g. Legally Privileged Telephone Calls - The following rules refer to all legally privileged telephone calls or communications:

i. Inmate’s Attorney’s Precleared Staff May Participate in Inmate Telephone Calls - The inmate’s attorney’s precleared staff are permitted to communicate directly with the inmate by telephone, provided that the inmate’s attorney is physically present and participating in the legal call as well.

ii. Inmate’s Initiation of Legally Privileged Telephone Calls - Inmate-initiated telephone communications with his attorney or precleared staff are to be placed by a USMS/BOP/DF staff member and the telephone handed over to the inmate only after the USMS/BOP/DF staff member confirms that the person on the other end of the line is the inmate’s attorney. This privilege is contingent upon the following additional restrictions:
(1) The inmate's attorney will not allow any non-precleared person to communicate with the inmate, or to take part in and/or listen to or overhear any communications with the inmate.

(2) The inmate's attorney must instruct his or her staff that:

(a) The inmate's attorney and precleared staff are the only persons allowed to engage in communications with the inmate.

(b) The attorney's staff (including the attorney) are not to patch through, forward, transmit, or send the inmate's calls or any other communications through third parties.

(3) No telephone call/communication, or portion thereof, except as specifically authorized by this document:

(a) Is to be overheard by a third party.\(^4\)

(b) Will be patched through, or in any manner forwarded or transmitted to, a third party.

(c) Shall be divulged in any manner to a third party, except as otherwise provided in Section 2.d. above.

(d) Shall be in any manner recorded or preserved.\(^5\) The inmate's attorney may make written notes of attorney-client privileged communications.

(4) If the USMS/BOP/DF, FBI, or USA/SDNY determines that the inmate has used or is using the opportunity to make a legal call to speak with another inmate or for any other non-legal reason that

\(^4\) For purposes of the SAM, "third party" does not include officials of the USMS/BOP/DF, FBI, or DOJ, or other duly authorized federal authorities when monitoring in connection with their official duties. This section does not allow monitoring of attorney-client privileged communications.

\(^5\) Except by the USMS/BOP/DF, FBI, DOJ, or other duly authorized federal authorities. This section does not allow monitoring of attorney-client privileged communications.

would circumvent the intent of the SAM, the inmate's ability to contact his attorney by telephone may be suspended or eliminated.

h. Documents Provided by Attorney to Inmate - During a visit, the inmate's attorney may provide the inmate with, or review with the inmate, documents related to the inmate's criminal post-sentencing proceedings and/or material prepared by the inmate's attorney related to such proceedings. Any documents not related to the inmate's criminal post-sentencing proceedings must be sent to the inmate in the mail and will be subject to the mail review provisions of subparagraphs 2.i. and 3.g. Documents previously reviewed and cleared for receipt by the inmate, and already in the inmate's possession at the outset of the visit, may be discussed or reviewed by the inmate and the inmate's attorney during the visit.

i. None of the materials provided may include inflammatory materials, materials inciting violence, military training materials, or materials that may be used to pass messages from inmate to inmate, unless such materials have been precleared by the USA/SDNY and FBI.

ii. The USA/SDNY may authorize additional documents to be presented to the inmate. If any document not listed or described above needs to be transmitted to the inmate, consent for the transmission of the document may be obtained from the USA/SDNY without the need to formally seek approval for an amendment to the SAM.

i. Legal Mail⁶ - The inmate's attorney may not send, communicate, distribute, or divulge the inmate's mail, or any portion of its contents (legal or otherwise), to third parties.

In signing the SAM acknowledgment document, the inmate's attorney and precleared staff will acknowledge the restriction that only inmate case-related documents will be presented to the inmate, and that neither the attorney nor his or her staff will forward third-party mail to or from the inmate.

⁶ "Legal mail" is defined as properly marked correspondence addressed to or from the inmate's attorney. All other mail, including that otherwise defined by the USMS/BOP/DF as Special Mail, shall be processed as "non-legal mail."

LIMITED OFFICIAL USE
3. **Inmate’s Non-legal Contacts**

   a. **Non-legally Privileged Telephone Contacts** - 

      i. The inmate is limited to non-legally privileged telephone calls with his immediate family members.\(^7\)

      ii. The quantity and duration of the inmate’s non-legally privileged telephone calls with his immediate family members shall be set by the USMS/BOP/DF, with a minimum of one call per month.

   b. **Rules for Telephone Calls** - For all non-legally privileged telephone calls or communications, no telephone call/communication, or portion thereof:

      i. Is to be overheard by a third party.

      ii. Is to be patched through, or in any manner forwarded or transmitted, to a third party.

      iii. Shall be divulged in any manner to a third party.

      iv. Shall be in any manner recorded or preserved.\(^8\)

      All telephone calls shall be in English unless a fluent USMS/BOP/DF- or FBI-approved interpreter/translator is available to contemporaneously monitor the telephone call. Arranging for an interpreter/translator may require at least fourteen (14) days' advance notice.

   c. **Telephone SAM Restriction Notifications** - For all non-legally privileged telephone calls to the inmate’s immediate family member(s):

      i. The USMS/BOP/DF shall inform the inmate of the telephone SAM restrictions prior to each telephone call.

---

\(^7\) The inmate’s “immediate family members” are defined as the inmate’s (USMS/BOP/DF- or FBI-verifiable) spouse, children, parents, and siblings. Requests for additional non-legal contacts may be submitted and will be considered on a case-by-case basis.

\(^8\) Except by the USMS/BOP/DF, FBI, DOJ, or other duly authorized federal authorities.

ii. The USMS/BOP/DF shall verbally inform the inmate’s immediate family member(s) on the opposite end of the inmate’s telephone communication of the SAM restrictions. The USMS/BOP/DF is only required to notify the inmate’s communication recipient in English.

iii. The USMS/BOP/DF shall document each such telephone notification.

d. **Family Call Monitoring** - All calls with the inmate’s immediate family member(s) shall be:

i. Contemporaneously monitored by the FBI.

ii. Contemporaneously recorded (as directed by the FBI) in a manner that allows such telephone calls to be analyzed for indications the call is being used to pass messages soliciting or encouraging acts of violence or other crimes, or to otherwise attempt to circumvent the SAM.

iii. A copy of each inmate/immediate family member telephone call recording shall be provided by the USMS/BOP/DF on a single, individual cassette tape or compact disk (per call) for forwarding to the FBI. These recordings shall be forwarded on a call-by-call basis as soon as practicable.

e. **Improper Communications** - If telephone call monitoring or analysis reveals that any call or portion of a call involving the inmate contains any indication of a discussion of illegal activity, the soliciting or encouraging of acts of violence or terrorism, or actual or attempted circumvention of the SAM, the inmate shall not be permitted any further calls to his immediate family members for a period of time to be determined by the USMS/BOP/DF. If contemporaneous monitoring reveals such inappropriate activity, the telephone call may be immediately terminated.

f. **Non-legal Visits** -

i. **Limited Visitors** - The inmate shall be permitted to visit only with his immediate family members. The visitor’s identity and family member relationship to the inmate will be confirmed by the USMS/BOP/DF and FBI in advance.

ii. **English Requirement** - All communications during non-legal inmate visits will be in English unless a fluent USMS/BOP/DF- or FBI-approved interpreter/translator is readily available to contemporaneously monitor the

communication/visit. Arranging for an interpreter/translator may require at least fourteen (14) days’ advance notice

iii. Visit Criteria - All non-legal visits shall be:

1. Contemporaneously monitored by the USMS/BOP/DF and/or FBI, in a manner that allows such visits to be analyzed for indications that the visit is being used to pass messages soliciting or encouraging acts of violence or other crimes, or to otherwise attempt to circumvent the SAM.

2. Permitted only with a minimum of fourteen (14) calendar days’ advance written notice to the USMS/BOP/DF facility where the inmate is housed.

3. Without any physical contact. All such meetings shall be non-contact to protect against harm to visitors or staff.

4. Limited to one adult visitor at a time. However, the FBI-verified children of the inmate may visit with a pre-approved adult visitor.

g. Non-legal Mail - Non-legal mail is any mail not clearly and properly addressed to/from the inmate’s attorney and marked “Legal Mail” (incoming or outgoing). Non-legal mail is limited to only the inmate’s immediate family, U.S. courts, federal judges, U.S. Attorneys’ Offices, members of U.S. Congress, the BOP, or other federal law enforcement entities.

i. General correspondence with limitations - Correspondence is restricted to immediate family members. The volume and frequency of outgoing general correspondence with immediate family members may be limited to three pieces of paper (not larger than 8½” x 11”), double-sided, once per calendar week to a single recipient, at the discretion of the USMS/BOP/DF. The identity and family member relationship to the inmate will be confirmed by the USMS/BOP/DF and FBI.

ii. General correspondence without limitations - There is no volume or frequency limitation on correspondence to/from U.S. courts, federal judges, U.S. Attorneys’ Offices, members of U.S. Congress, the BOP, and other federal law enforcement entities, unless there is evidence of abuse of these privileges, threatening correspondence is detected, circumvention of the SAM is detected, or the quantity to be processed becomes unreasonable to

the extent that efficient processing to protect the security, good order, or discipline of the institution, the public, or national security may be jeopardized.

iii. All non-legal mail shall be -

(1) **Copied** - Shall be copied (including the surface of the envelope) by the warden, or his or her designee, of the facility in which the inmate is housed.

(2) **Forwarded** - Shall be forwarded, in copy form, to the location designated by the FBI.

(3) **Analyzed** - After government analysis and approval, if appropriate, the inmate's incoming/outgoing non-legal mail shall be forwarded to the USMS/BOP/DF for delivery to the inmate (incoming); or directly to the addressee (outgoing).

With respect to non-legal mail to and from the inmate’s immediate family, the following procedures are permitted:

Incoming non-legal mail from his family members may be sent to his attorney, in an envelope clearly designated “NON-LEGAL MAIL,” and, after FBI analysis and approval, transmitted to outgoing non-legal mail to his family members may, after FBI analysis and approval, be sent similarly marked in an envelope clearly designated “NON-LEGAL MAIL,” to who will then forward it on to family.

iv. The federal government shall forward the inmate's non-legal mail to the USMS/BOP/DF for delivery to the inmate or directly to the addressee after a review and analysis period of -

(1) A reasonable time not to exceed fourteen (14) business days for mail that is written entirely in the English language.

(2) A reasonable time not to exceed sixty (60) business days for any mail that includes writing in any language other than English, to allow for translation.

(3) A reasonable time not to exceed sixty (60) business days for any mail where the federal government has reasonable suspicion to believe that a code was used, to allow for decoding.

v. Mail Seizure - If outgoing/incoming mail is determined by the USMS/BOP/DF or FBI to contain overt or covert discussions of or requests for illegal activities, the soliciting or encouraging of acts of violence or terrorism, or actual or attempted circumvention of the SAM, the mail shall not be delivered/forwarded to the intended recipient but referred to the FBI for appropriate action. The inmate shall be notified in writing of the seizure of any mail.

4. Communication With News Media

The inmate shall not be permitted to speak, meet, correspond, or otherwise communicate with any member or representative of the news media in person; by telephone; by furnishing a recorded message; through the mail, his attorney, or a third party; or otherwise.

5. Religious Visitation

a. The inmate shall not be allowed to engage in group prayer with other inmates.

b. If a USMS/BOP/DF- or FBI-approved religious representative is to be present for prayer with the inmate, the prayer shall be conducted as part of a contact or non-contact visit, at the discretion of the USMS/BOP/DF.

6. No Communal Cells and No Communication Between Cells

a. The inmate shall not be allowed to share a cell with another inmate.

b. The inmate shall be limited within the USMS/BOP/DF’s reasonable efforts and existing confinement conditions, from communicating with any other inmate by making statements audible to other inmates or by sending notes to other inmates, except as permitted in Section 1.c. above.

7. Cellblock Procedures

a. The inmate shall be kept separated from other inmates as much as possible while in the cellblock area.

b. The inmate shall be limited, within the USMS/BOP/DF’s reasonable efforts and existing confinement conditions, from communicating with any other inmate while in the cellblock area.

8. **Commissary Privileges**

The USMS/BOP/DF shall restrict access to commissary items or any other objects determined by the USMS/BOP/DF to be capable of being converted into dangerous instruments.

9. **Access to Mass Communications**

To prevent the inmate from receiving and acting upon critically timed information or information coded in a potentially undetectable manner, the inmate’s access to materials of mass communication is restricted as follows:

a. **Publications/Newspapers** -

i. The inmate may have access to publications determined not to facilitate criminal activity or be detrimental to national security; the security, good order, or discipline of the institution; or the protection of the public. This determination is to be made by the USMS/BOP/DF, in consultation with the USA/SDNY.

ii. Sections of any publication/newspaper that offer a forum for information to be passed by unknown and/or unverified individuals, including but not limited to, classified advertisements and letters to the editor, should be removed from the publications/newspapers prior to distribution to the inmate.

iii. If restricted by the USMS/BOP/DF rules, a publication will be denied. If acceptable, upon delivery, the USMS/BOP/DF will review the publication and make the initial determination. If the FBI’s expertise is required, the publication will be forwarded to the FBI for review. The USMS/BOP/DF will also forward the publication to the FBI if translations are needed to make that determination. (In these cases, the FBI shall respond to the USMS/BOP/DF within fourteen (14) business days.) The inmate shall then have access to the remaining portions of the publications/newspapers deemed acceptable, in accordance with USMS/BOP/DF policy.
iv. In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased publications/newspapers with other SAM inmates only after each publication/newspaper is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Publications/newspapers individually purchased by the inmate may not be shared with any other inmate.

b. **Television and Radio** - The inmate is authorized to have television and radio viewing and listening privileges, in accordance with standard and applicable USMS/BOP/DF policies and procedures.

c. **Termination or Limitation** - If the USMS/BOP/DF determines that the mass communications are being used as a vehicle to send messages to the inmate relating to the furtherance of terrorist or criminal activities, the inmate's access may be limited or terminated for a period of time to be determined by the USMS/BOP/DF.

10. **Access to Books**

The inmate may have access to all books that do not facilitate criminal activity or present a substantial threat to national security or the security, discipline, or good order of the institution. This initial determination is to be made by the USMS/BOP/DF and, if the USMS/BOP/DF determines that the FBI's expertise is required, the book(s) will be forwarded to the FBI for review. In conducting its analysis, the FBI will determine whether the book advocates or promotes acts of terrorism or violence and/or whether access to the book by this particular inmate would pose a substantial threat to national security.

In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased books with other SAM inmates only after each book is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Books individually purchased by the inmate may not be shared with any other inmate.

11. **Transfer of Custody**

In the event that the inmate is transferred to or from the custody of the USMS, BOP, or any other DF, the SAM provisions authorized for this inmate shall continue in effect, without need for any additional DOJ authorization.
12. **Inmate's Consular Contacts**

The inmate, who is a foreign national, shall be allowed Consular communications and visits, consistent with USMS/BOP/DF policy. The Consular contacts shall comply with the U.S. Department of State (DOS) Consular notification and access requirements. Prior to permitting any Consular contact, the FBI will verify the Consular representative’s credentials with the DOS.

**CONCLUSION**

The SAM set forth herein, especially as they relate to attorney-client privileged communications and family contact, are reasonably necessary to prevent the inmate from committing, soliciting, or conspiring to engage in additional criminal activity. Moreover, these measures are the least restrictive that can be tolerated in light of the ability of this inmate to aid, knowingly or inadvertently, in plans that create a substantial risk that the inmate’s communications or contacts with persons could result in death or serious bodily injury to persons.

With respect to telephone privileges, the SAM are reasonably necessary because of the high probability of calls to co-conspirators to arrange terrorist or criminal activities.

With respect to mail privileges, the SAM are reasonably necessary to prevent the inmate from receiving or passing along critically timed messages. Although I recognize that eliminating the inmate’s mail privileges entirely may be an excessive measure except in the most egregious of circumstances, I believe that delaying mail delivery and allowing authorized personnel to examine a copy of the mail is sufficient at this time to adequately ensure that the mail is not used to deliver requests for, or to assist in, violent and/or terrorist activities. Under these procedures, the inmate can relate personal news to family members, even if delayed, but he may find it difficult or unwise to pass along restricted information.

To the extent that the use of an interpreter/translator is necessary, the government has the right to ensure that the interpreter/translator given access to the inmate is worthy of trust.

The SAM’s prohibition of contact with the media is reasonably necessary. Communication with the media could pose a substantial risk to public safety if the inmate

advocates terrorist, criminal, and/or violent offenses, or if he makes statements designed to incite such acts. Based upon the inmate’s past behavior, I believe that it would be unwise to wait until after the inmate solicits or attempts to arrange a violent or terrorist act to justify such media restrictions.

The SAM’s limitations on access to newspapers, publications, television, and radio are reasonably necessary to prevent the inmate from receiving and acting upon critically timed messages. Such messages may be placed in advertisements or communicated through other means, such as the television and/or radio. Although I recognize that eliminating the inmate’s access to such media may be an excessive measure except in the most egregious of circumstances, I believe that limiting and/or delaying such access may interrupt communication patterns the inmate may develop with the outside world, and ensure that the media is not used to communicate information that furthers terrorist, violent, and/or criminal activities.

FROM: Lanny A. Breuer
   Assistant Attorney General

SUBJECT: Extension of Special Administrative Measures
Pursuant to 28 C.F.R. § 501.3 for Federal Bureau of Prisons
Inmate: [redacted]

Because of [redacted] proclivity for violence, the Attorney General placed him under Special Administrative Measures (SAM), effective [redacted]. The SAM were most recently extended in [redacted] and are scheduled to expire on [redacted]. [redacted] is currently housed at ADX Florence, where the SAM remain in effect.

As detailed in the attached requests from the United States Attorney for the Southern District of New York (USA/SDNY) and the Federal Bureau of Investigation (FBI), [redacted] is an

[redacted]

In his letter of [redacted] the USA/SDNY has requested renewal of the SAM. The FBI agrees that the SAM on [redacted] should be continued. In reaching the conclusion that there is a substantial risk that [redacted] communications or contacts could result in death or serious bodily injury to others,

the USA/SDNY cites [REDACTED] longstanding commitment to jihad targeting Americans and others.

The USA/SDNY also cites [REDACTED] conduct in prison while subject to SAM, including communications to his family that contained violent rhetoric and attempts to circumvent the SAM. On fifteen separate occasions during the most recent renewal period, [REDACTED] attempted to send to members of his family [REDACTED] [REDACTED] letters that contained language soliciting or encouraging acts of violence or terrorism. Although these family members are approved contacts, in those letters, [REDACTED] repeatedly used jihadist and/or violent rhetoric, as well as what appeared to be coded language. All fifteen letters were disapproved by the FBI.

Based upon information provided to me of [REDACTED] proclivity for violence, I find that there is substantial risk that his communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of serious bodily injury to persons. Therefore, I am requesting that you, pursuant to 28 C.F.R. § 501.3, continue to implement SAM to restrict [REDACTED] access to the mail, the media, the telephone, and visitors. The SAM will commence immediately upon expiration of the prior SAM authorization period and will be in effect for a period of one year, subject to my further direction.

a. Adherence to Usual United States Marshals Service (USMS), BOP, and Detention Facility (DF) Policy Requirements - In addition to the below-listed SAM, the inmate must comply with all usual USMS, BOP, and non-BOP DF policies regarding restrictions, activities, privileges, communications, etc. If there is a conflict between USMS/BOP/DF policies and the SAM, as set forth herein, where the SAM are more restrictive than usual USMS/BOP/DF policies, then the SAM shall control. If usual USMS/BOP/DF policies are more restrictive than the SAM, then USMS/BOP/DF policies shall control.

b. Interim SAM Modification Authority - During the term of this directive, the Director, Office of Enforcement Operations (OEO), Criminal Division, may modify the inmate’s SAM as long as any SAM modification authorized by OEO:
   i. Does not create a more restrictive SAM;
   ii. Is not in conflict with the request of the USA/SDNY, FBI, or USMS/BOP/DF, or applicable regulations; and

iii. Is not objected to by the USA/SDNY, FBI, or USMS/BOP/DF.

c. **Inmate Communications Prohibitions** - The inmate is limited, within the USMS/BOP/DF’s reasonable efforts and existing confinement conditions, from having contact (including passing or receiving any oral, written, or recorded communications) with any other inmate, visitor, attorney, or anyone else, except as outlined and allowed by this document, that could reasonably foreseeably result in the inmate communicating (sending or receiving) information that could circumvent the SAM’s intent of significantly limiting the inmate’s ability to communicate (send or receive) threatening or other terrorism-related information.

The USMS/BOP/DF may permit the inmate to communicate with other SAM inmates orally only during certain predesignated times, the place and duration to be set by the USMS/BOP/DF. The inmate shall not have any physical contact with other inmates during this predesignated time, and all such predesignated sessions may be monitored and/or recorded. Upon request of the FBI, a copy of the recordings will be provided by the USMS/BOP/DF to the FBI to be analyzed for indications that the inmates are attempting to pass messages soliciting or encouraging acts of terrorism, violence, or other crimes.

d. **Use of Interpreters/Translators by the USMS/BOP/DF** - Interpreter/Translator approval requirement:

i. The USMS/BOP/DF may use Department of Justice (DOJ) approved interpreters/translators as necessary for the purpose of facilitating communication with the inmate.

ii. No person shall act as an interpreter/translator without prior written clearance/approval from the USMS/BOP/DF, which shall only be granted after consultation with the FBI and USA/SDNY.

iii. Interpreters/translators utilized by the USMS/BOP/DF shall not be allowed to engage in, or overhear, unmonitored conversations with the inmate. Interpreters/translators shall not be alone with the inmate, either in a room or on a telephone or other communications medium.
2. **Attorney-Client Provisions**

   a. **Attorney\(^1\) Affirmation of Receipt of the SAM Restrictions Document** - The inmate’s attorney (or counsel) – individually by each if more than one – must sign an affirmation acknowledging receipt of the SAM restrictions document. By signing the affirmation, the attorney acknowledges his or her awareness and understanding of the SAM provisions and his or her agreement to abide by these provisions, particularly those that relate to contact between the inmate and his attorney and the attorney’s staff. The signing of the affirmation does not serve as an endorsement of the SAM or the conditions of confinement, and does not serve to attest to any of the factors set forth in the conclusions supporting the SAM. However, in signing the affirmation, the inmate’s attorney and precleared staff\(^2\) acknowledge the restriction that they will not forward third-party messages to or from the inmate.

   i. The USA/SDNY shall present, or forward, the attorney affirmation of receipt of the SAM restrictions document to the inmate’s attorney.

   ii. After initiation of SAM and prior to the inmate’s attorney being permitted to have attorney-client privileged contact with the inmate, the inmate’s attorney shall execute a document affirming receipt of the SAM restrictions document and return the original to the USA/SDNY.

---

\(^1\) The term “attorney” refers to the inmate’s attorney of record, who has been verified and documented by the USA/SDNY, and who has received and acknowledged receipt of the SAM restrictions document. As used in this document, “attorney” also refers to more than one attorney where the inmate is represented by two or more attorneys, and the provisions of this document shall be fully applicable to each such attorney in his or her individual capacity.

\(^2\) “Precleared,” when used with regard to an attorney’s staff, or “precleared staff member,” refers to a co-counsel, paralegal, or investigator who is actively assisting the inmate’s attorney with the inmate’s defense, who has submitted to a background check by the FBI and USA/SDNY, who has successfully been cleared by the FBI and USA/SDNY, and who has received a copy of the inmate’s SAM and has agreed – as evidenced by his or her signature – to adhere to the SAM restrictions and requirements. As used in this document, “staff member” also refers to more than one staff member, and the provisions of this document shall be fully applicable to each such staff member in his or her individual capacity. A “paralegal” will also be governed by any additional DF rules and regulations concerning paralegals.
iii. The USA/SDNY shall maintain the original of the SAM acknowledgment document and forward a copy of the signed document to OEO in Washington, D.C., and the USMS/BOP/DF.

b. Attorney Use of Interpreters/Translators -

i. Necessity Requirement - No interpreter/translator shall be utilized unless absolutely necessary where the inmate does not speak a common language with the attorney. Any interpreter/translator shall be precleared.\(^3\)

ii. Attorney Immediate Presence Requirement - Any use of an interpreter/translator by the attorney shall be in the physical and immediate presence of the attorney — \textit{i.e.}, in the same room. The attorney shall not patch through telephone calls, or any other communications, to or from the inmate.

iii. Translation of Inmate’s Correspondence - An attorney of record may only allow a federally approved interpreter/translator to translate the inmate’s correspondence as necessary for attorney-client privileged communication.

c. Attorney-Client Privileged Visits - Attorney-client privileged visits may be contact or non-contact, at the discretion of the USMS/BOP/DF.

d. Attorney May Disseminate Inmate Conversations - The inmate’s attorney may disseminate the contents of the inmate’s communication to third parties for the sole purpose of providing necessary legal services related to the inmate’s post-sentencing proceedings — and not for any other reason — on the understanding that any such dissemination shall be made solely by the inmate’s attorney, and not by the attorney’s staff.

\(^{3}\) “Precleared,” when used with regard to an interpreter/translator, refers to an interpreter/translator who is actively assisting the inmate’s attorney with the inmate’s post-sentencing proceedings, who has submitted to a background check by the FBI and USA/SDNY, who has successfully been cleared by the FBI and USA/SDNY, and who has received a copy of the inmate’s SAM and has agreed — as evidenced by his or her signature — to adhere to the SAM restrictions and requirements.

\textbf{LIMITED OFFICIAL USE}
e. Unaccompanied Attorney’s Precleared Paralegal(s) May Meet With Client -
The inmate’s attorney’s precleared paralegal(s) may meet with the inmate without
the need for the inmate’s attorney to be present. These meetings may be contact or
non-contact, at the discretion of the USMS/BOP/DF.

f. Simultaneous Multiple Legal Visitors - The inmate may have multiple legal
visitors provided that at least one of the multiple legal visitors is the inmate’s
attorney or precleared paralegal. These meetings may be contact or non-contact, at
the discretion of the USMS/BOP/DF. An investigator or interpreter/translator may
not meet alone with the inmate.

g. Legally Privileged Telephone Calls - The following rules refer to all legally
privileged telephone calls or communications:

i. Inmate’s Attorney’s Precleared Staff May Participate in Inmate
Telephone Calls - The inmate’s attorney’s precleared staff are permitted to
communicate directly with the inmate by telephone, provided that the
inmate’s attorney is physically present and participating in the legal call as
well.

ii. Inmate’s Initiation of Legally Privileged Telephone Calls - Inmate-
initiated telephone communications with his attorney or precleared staff are
to be placed by a USMS/BOP/DF staff member and the telephone handed
over to the inmate only after the USMS/BOP/DF staff member confirms that
the person on the other end of the line is the inmate’s attorney. This
privilege is contingent upon the following additional restrictions:

(1) The inmate’s attorney will not allow any non-precleared person to
communicate with the inmate, or to take part in and/or listen to or
overhear any communications with the inmate.

(2) The inmate’s attorney must instruct his or her staff that:

(a) The inmate’s attorney and precleared staff are the only
persons allowed to engage in communications with the
inmate.

(4) If the USMS/BOP/DF, FBI or USA/SDNY determines that the inmate has used or is using the opportunity to make a legal call to speak with another inmate or for any other non-legal reason that would circumvent the intent of the SAM, the inmate’s ability to contact his attorney by telephone may be suspended or eliminated.

Documents Provided by Attorney to Inmate - During a visit, the inmate’s attorney may provide his or her client with, or review with the inmate, documents related to his post-sentencing proceedings and/or material prepared by the inmate’s attorney related to such proceedings, so long as any of the foregoing documents are translated, if translation is necessary, by a precleared interpreter/translator. document not related to the inmate's post-sentencing proceedings must be sent to the inmate via general correspondence and will be subject to the mail provisions of subparagraphs 2.i. and 3.g. Documents previously reviewed and cleared for receipt by the inmate, and already in the inmate's possession at the outset of the visit, may be discussed or reviewed by the inmate and the inmate's attorney during the visit.

i. None of the materials provided may include inflammatory materials, materials inciting violence, military training materials, or materials that may be used to pass messages from inmate to inmate, unless such materials have been precleared by the USA/SDNY and FBI.

ii. The USA/SDNY may authorize additional documents to be presented to the inmate. If any document not listed or described above needs to be transmitted to the inmate, consent for the transmission of the document may be obtained from the USA/SDNY without the need to formally seek approval for an amendment to the SAM.

i. **Legal Mail** - The inmate's attorney may not send, communicate, distribute, or divulge the inmate's mail, or any portion of its contents (legal or otherwise), to third parties.

   In signing the SAM acknowledgment document, the inmate's attorney and precleared staff will acknowledge the restriction that only inmate case-related documents will be presented to the inmate, and that neither the attorney nor his or her staff will forward third-party mail to or from the inmate.

ii. The quantity and duration of the inmate’s non-legally privileged telephone calls with his immediate family members shall be set by the USMS/BOP/DF, with a minimum of one call per month.

b. Rules for Telephone Calls - For all non-legally privileged telephone calls or communications, no telephone call/communication, or portion thereof:

c. Telephone SAM Restriction Notifications - For all non-legally privileged telephone calls to the inmate’s immediate family member(s):

---

\(^7\) The inmate’s “immediate family members” are defined as the inmate’s (USMS/BOP/DF- or FBI-verifiable) spouse, children, parents, and siblings. Requests for additional non-legal contacts may be submitted and will be considered on a case-by-case basis.

\(^8\) Except by the USMS/BOP/DF, FBI, DOJ, or other duly authorized federal authorities.

LIMITED OFFICIAL USE
i. The USMS/BOP/DF shall inform the inmate of the telephone SAM restrictions prior to each telephone call.

ii. The USMS/BOP/DF shall verbally inform the inmate’s immediate family member(s) on the opposite end of the inmate’s telephone communication of the SAM restrictions. The USMS/BOP/DF is only required to notify the inmate’s communication recipient in English.

iii. The USMS/BOP/DF shall document each such telephone notification.

d. Family Call Monitoring - All calls with the inmate’s immediate family member(s) shall be:

i. Contemporaneously monitored by the FBI.

ii. Contemporaneously recorded (as directed by the FBI) in a manner that allows such telephone calls to be analyzed for indications the call is being used to pass messages soliciting or encouraging acts of violence or other crimes, or to otherwise attempt to circumvent the SAM.

iii. A copy of each inmate/immediate family member telephone call recording shall be provided by the USMS/BOP/DF on a single, individual cassette tape or compact disk (per call) for forwarding to the FBI. These recordings shall be forwarded on a call-by-call basis as soon as practicable.

e. Improper Communications - If telephone call monitoring or analysis reveals that any call or portion of a call involving the inmate contains any indication of a discussion of illegal activity, the soliciting of or encouraging of acts of violence or terrorism, or actual or attempted circumvention of the SAM; the inmate shall not be permitted any further calls to his immediate family members for a period of time to be determined by the USMS/BOP/DF. If contemporaneous monitoring reveals such inappropriate activity, the telephone call may be immediately terminated.

f. Non-legal Visits -

i. Limited Visitors - The inmate shall be permitted to visit only with his immediate family members. The visitor’s identity and family member relationship to the inmate will be confirmed by the USMS/BOP/DF and FBI in advance.

ii. **English Requirement** - All communications during non-legal inmate visits will be in English unless a fluent USMS/BOP/DF- or FBI-approved interpreter/translator is readily available to contemporaneously monitor the communication/visit. Arranging for an interpreter/translator may require at least fourteen (14) days' advance notice.

iii. **Visit Criteria** - All non-legal visits shall be:

(1) Contemporaneously monitored by the USMS/BOP/DF and/or FBI, in a manner that allows such visits to be analyzed for indications the visit is being used to pass messages soliciting or encouraging acts of violence or other crimes, or to otherwise attempt to circumvent the SAM.

(2) Permitted only with a minimum of fourteen (14) calendar days’ advance written notice to the USMS/BOP/DF facility where the inmate is housed.

(3) Without any physical contact. All such meetings shall be non-contact to protect against harm to visitors or staff.

(4) Limited to one adult visitor at a time. However, the FBI-verified children of the inmate may visit with a pre-approved adult visitor.

g. **Non-legal Mail** - Non-legal mail is any mail not clearly and properly addressed to/from the inmate's attorney and marked "Legal Mail" (incoming or outgoing). Non-legal mail is limited to only the inmate's immediate family, U.S. courts, federal judges, U.S. Attorneys' Offices, members of U.S. Congress, the BOP, or other federal law enforcement entities.

i. **General correspondence with limitations** - Correspondence is restricted to immediate family members. The volume and frequency of outgoing general correspondence with immediate family members may be limited to three pieces of paper (not larger than 8½" x 11"), double-sided, once per calendar week to a single recipient, at the discretion of the USMS/BOP/DF. The identity and family member relationship to the inmate will be confirmed by the USMS/BOP/DF and FBI.
General correspondence without limitations - There is no volume or frequency limitation on correspondence to/from U.S. courts, federal judges, U.S. Attorneys' Offices, members of U.S. Congress, the BOP, and other federal law enforcement entities, unless there is evidence of abuse of these privileges, threatening correspondence is detected, circumvention of the SAM is detected, or the quantity to be processed becomes unreasonable to the extent that efficient processing to protect the security, good order, or discipline of the institution, the public, or national security may be jeopardized.

iii. All non-legal mail shall be -

(1) Copied - Shall be copied (including the surface of the envelope) by the warden, or his or her designee, of the facility in which the inmate is housed.

iv. The federal government shall forward the inmate's non-legal mail to the USMS/BOP/DF for delivery to the inmate or directly to the addressee after a review and analysis period of:

(1) A reasonable time not to exceed fourteen (14) business days for mail that is written entirely in the English language.

(2) A reasonable time not to exceed sixty (60) business days for any mail that includes writing in any language other than English, to allow for translation.

(3) A reasonable time not to exceed sixty (60) business days for any mail where the federal government has reasonable suspicion to believe that a code was used, to allow for decoding.

The inmate shall be notified in writing of the seizure of any mail.

4. Communication With News Media

The inmate shall not be permitted to speak, meet, correspond, or otherwise communicate with any member or representative of the news media in person; by telephone; by furnishing a recorded message; through the mail, his attorney, or a third party; or otherwise.

5. Religious Visitation

a. The inmate shall not be allowed to engage in group prayer with other inmates.

b. If a USMS/BOP/DF- and/or FBI-approved religious representative is to be present for prayer with the inmate, the prayer shall be conducted as part of a contact or non-contact visit, at the discretion of the USMS/BOP/DF.

6. No Communal Cells and No Communication Between Cells

a. The inmate shall not be allowed to share a cell with another inmate.

7. Cellblock Procedures

a. The inmate shall be kept separated from other inmates as much as possible while in the cellblock area.

8. **Commissary Privileges**

The USMS/BOP/DF shall restrict access to commissary items or any other objects determined by the USMS/BOP/DF to be capable of being converted into dangerous instruments.

9. **Access to Mass Communications**

To prevent the inmate from receiving and acting upon critically timed information or information coded in a potentially undetectable manner, the inmate’s access to materials of mass communication is restricted as follows:

a. **Publications/Newspapers** -

i. The inmate may have access to publications determined not to facilitate criminal activity or be detrimental to national security; the security, good order, or discipline of the institution; or the protection of the public. This determination is to be made by the USMS/BOP/DF, in consultation with the USA/SDNY.

ii. Sections of any publication/newspaper that offer a forum for information to be passed by unknown and/or unverified individuals, including but not limited to classified advertisements and letters to the editor, should be removed from the publications/newspapers prior to distribution to the inmate.

iii. If restricted by the USMS/BOP/DF rules, access to a publication will be denied. If acceptable, upon delivery, the USMS/BOP/DF will review the publication and make the initial determination. If the FBI’s expertise is required, the publication will be forwarded to the FBI for review. The USMS/BOP/DF will also forward the publication to the FBI if translations are needed to make that determination. (In these cases, the FBI shall respond to the USMS/BOP/DF within fourteen (14) business days.) The inmate shall then have access to the remaining portions of the publications/newspapers deemed acceptable, in accordance with USMS/BOP/DF policy.

iv. In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased **LIMITED OFFICIAL USE**
publications/newspapers with other SAM inmates only after each publication/newspaper is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Publications/newspapers individually purchased by the inmate may not be shared with any other inmate.

b. Television and Radio - The inmate is authorized to have television and radio viewing and listening privileges, in accordance with standard and applicable USMS/BOP/DF policies and procedures.

c. Termination or Limitation - If the USMS/BOP/DF determines that mass communications are being used as a vehicle to send messages to the inmate relating to the furtherance of terrorist or criminal activities, the inmate’s access may be limited or terminated for a period of time to be determined by the USMS/BOP/DF.

10. Access to Books

The inmate may have access to all books that do not facilitate criminal activity or present a substantial threat to national security or the security, discipline, or good order of the institution. This initial determination is to be made by the USMS/BOP/DF and, if the USMS/BOP/DF determines that the FBI’s expertise is required, the book(s) will be forwarded to the FBI for review. In conducting its analysis, the FBI will determine whether the book advocates or promotes acts of terrorism or violence and/or whether access to the book by this particular inmate would pose a substantial threat to national security.

In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased books with other SAM inmates only after each book is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Books individually purchased by the inmate may not be shared with any other inmate.

10. Transfer of Custody

In the event that the inmate is transferred to or from the custody of the USMS, BOP, or any other DF, the SAM provisions authorized for this inmate shall continue in effect, without need for any additional DOJ authorization.

11. **Inmate's Consular Contacts**

The inmate, who is a citizen of [REDACTED], shall be allowed Consular communications, consistent with USMS/BOP/DF policy. The Consular contacts shall comply with the U.S. Department of State (DOS) Consular notification and access requirements. Prior to permitting any Consular contact, the FBI will verify the Consular representative’s credentials with the DOS. The Consular representative will comply with the terms of the SAM regarding third party communications, specifically, no telephone call/communication, or portion thereof:

i. Is to be overheard by a third party, except where necessary in conjunction with Consular duties.\(^9\)

ii. Is to be patched through, or in any manner forwarded or transmitted to, a third party, except where necessary in conjunction with Consular duties.

iii. Shall be divulged in any manner to a third party, except where necessary in conjunction with Consular duties.

iv. Shall be in any manner recorded or preserved.\(^11\)

**CONCLUSION**

The SAM set forth herein, especially as they relate to attorney-client privileged communications and family contact, are reasonably necessary to prevent the inmate from committing, soliciting, or conspiring to engage in additional criminal activity. Moreover, these

measures are the least restrictive that can be tolerated in light of the ability of this inmate to aid, knowingly or inadvertently, in plans that create a substantial risk that the inmate's communications or contacts with persons could result in death or serious bodily injury to persons.

With respect to telephone privileges, the SAM are reasonably necessary because of the high probability of calls to co-conspirators to arrange terrorist or criminal activities.

With respect to mail privileges, the SAM are reasonably necessary to prevent the inmate from receiving or passing along critically timed messages. Although I recognize that eliminating the inmate's mail privileges entirely may be an excessive measure except in the most egregious of circumstances, I believe that delaying mail delivery and allowing authorized personnel to examine a copy of the mail is sufficient at this time to adequately ensure that the mail is not used to deliver requests for, or assist in, violent and/or terrorist activities. Under these procedures, the inmate can relate personal news to family members, even if delayed, but he may find it difficult or unwise to pass along restricted information.

To the extent that the use of an interpreter/translator is necessary, the government has the right to ensure that the interpreter/translator given access to the inmate is worthy of trust.

The SAM’s prohibition of contact with the media is reasonably necessary. Communication with the media could pose a substantial risk to public safety if the inmate advocates terrorist, criminal, and/or violent offenses, or if he makes statements designed to incite such acts. Based upon the inmate’s past behavior, I believe that it would be unwise to wait until after the inmate solicits or attempts to arrange a violent or terrorist act to justify such media restrictions.

The SAM’s limitations on access to newspapers, publications, television, and radio are reasonably necessary to prevent the inmate from receiving and acting upon critically timed messages. Such messages may be placed in advertisements or communicated through other means, such as the television and/or radio. Although I recognize that eliminating the inmate's access to such media may be an excessive measure except in the most egregious of circumstances, I believe that limiting and/or delaying such access may interrupt communication patterns the inmate may develop with the outside world, and ensure that the media is not used to communicate information that furthers terrorist, violent, and/or criminal activities.

MEMORANDUM

TO: Charles E. Samuels, Jr.
   Director
   Bureau of Prisons

FROM: Monique Perez Roth
       Director
       Office of Enforcement Operations

SUBJECT: Modification Allowing Contact with Special Administrative Measures
Inmates for Federal Bureau of Prisons Inmate [Redacted]

Federal Bureau of Prisons (BOP) inmate [Redacted] was convicted in
the Southern District of Indiana of a variety of offenses, including
[Redacted]. He was sentenced in [Redacted] to
[Redacted] because of [Redacted]. Because of the
proclivity for violence, the Attorney General originally placed him under SAM on
[Redacted]. The SAM have been renewed annually since then, most
recently in [Redacted]. He is currently housed at the United States Penitentiary
Administrative Maximum Facility in Florence, Colorado (ADX Florence), where the SAM
remain in effect.

BOP officials at ADX have requested that the SAM on [Redacted] be modified to allow him
to have physical contact with other SAM inmates during certain predesignated times. The United
States Attorney for the Southern District of Indiana (USA/SDIN) concurs in this request, and,
along with the Federal Bureau of Investigation (FBI), has concluded that such contact will not
compromise national security. The purpose of this memorandum is to modify Section 1.c. of the
SAM for the above-captioned individual, as follows:

1. c. Inmate Communications Prohibitions - The inmate is limited, within the
USMS/BOP/DF’s reasonable efforts and existing confinement conditions, from
having contact (including passing or receiving any oral, written, or recorded
communications) with any other inmate, visitor, attorney, or anyone else, except
as outlined and allowed by this document, that could reasonably foreseeably result
in the inmate communicating (sending or receiving) information that could
circumvent the SAM’s intent of significantly limiting the inmate’s ability to communicate (send or receive) threatening or other terrorism-related information.

The USMS/BOP/DF may permit the inmate to have contact with other SAM inmates only during certain predesignated times, the place and duration to be set by the USMS/BOP/DF. All such predesignated sessions may be monitored and/or recorded by the FBI and/or USMS/BOP/DF and analyzed for indications that the inmates are attempting to pass messages soliciting or encouraging acts of terrorism, violence or other crimes.

All other SAM provisions for the above-captioned individual will continue in full force and effect for the remainder of the current authorization period of one year, subject to my further direction.

Any questions that you or your staff may have about this memorandum or the SAM directed herein should be directed to the Office of Enforcement Operations, Criminal Division, U.S. Department of Justice, 1301 New York Avenue, N.W., JCK Building, Room 1200, Washington, D.C. 20530-0001; telephone (202) 514-6809; and facsimile (202) 616-8256.
MEMORANDUM

TO: Charles B. Samuels, Jr.
   Director
   Federal Bureau of Prisons

FROM: Paul M. O'Brien
   Deputy Assistant Attorney General

SUBJECT: Extension of Special Administrative Measures Pursuant to 28 C.F.R. § 501.3 for Federal Bureau of Prisons

Inmate [Redacted] was convicted in the Southern District of Indiana of [redacted], including [redacted], and is currently being detained at ADX Florence. Because of his proclivity for violence, the Attorney General originally placed him under SAM on [redacted]. The SAM were most recently extended in [redacted] and expire on [redacted].

As background, in [redacted], the Bureau of Prisons [redacted].

CRM000415
The U.S. Attorney for the Southern District of Indiana (USA/SDIN), in his letter dated [redacted], has requested the renewal of the SAM. The Federal Bureau of Investigation (FBI) agrees that the SAM on [redacted] should be continued. Specifically, the FBI has confirmed that [redacted] in reaching the conclusion that there is a substantial risk that communications or contacts could result in death or serious bodily injury to others, the USA/SDIN cites the fact that since his conviction and incarceration at ADX Florence, [redacted]

The USA/SDIN asserts that, based on [redacted] past behavior as described above, if he is not subject to SAM, there is a serious risk that he may [redacted] as well as [redacted] and that any such disclosure may subject these persons or their families to death or serious bodily injury, or substantial damage to property that would entail the risk of death or serious bodily injury to persons.

Based upon information provided to me of [redacted] proclivity for violence, I find that there continues to be a substantial risk that his communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of serious bodily injury to persons. Therefore, I am requesting that you, pursuant to 28 C.F.R. § 501.3, continue to implement SAM to restrict [redacted] access to the mail, the media, the telephone, and visitors. The SAM will commence immediately upon expiration of the prior SAM authorization period and will be in effect for a period of one year, subject to my further direction.

1. **General Provisions**

a. **Adherence to Usual United States Marshals Service (USMS), BOP, and Detention Facility (DF) Policy Requirements** - In addition to the below-listed SAM, the inmate must comply with all usual USMS, BOP, and non-BOP DF policies regarding restrictions, activities, privileges, communications, etc. If there is a conflict between USMS/BOP/DF policies and the SAM, as set forth herein, where the SAM are more restrictive than usual USMS/BOP/DF policies, then the
SPECIAL ADMINISTRATIVE MEASURES (SAM) Pursuant to 28 C.F.R. § 501.3

SAM shall control. If usual USMS/BOP/DF policies are more restrictive than the SAM, then USMS/BOP/DF policies shall control.

b. **Interim SAM Modification Authority** - During the term of this directive, the Director, Office of Enforcement Operations (OEO), Criminal Division, may modify the inmate’s SAM as long as any SAM modification authorized by OEO:

i. Does not create a more restrictive SAM;

ii. Is not in conflict with the request of the USA/SDIN, FBI, or USMS/BOP/DF, or applicable regulations; and

iii. Is not objected to by the USA/SDIN, FBI, or USMS/BOP/DF.

c. **Inmate Communications Prohibitions** - The inmate is limited, within the USMS/BOP/DF’s reasonable efforts and existing confinement conditions, from having contact (including passing or receiving any oral, written, or recorded communications) with any other inmate, visitor, attorney, or anyone else, except as outlined and allowed by this document, that could reasonably foreseeably result in the inmate communicating (sending or receiving) information that could circumvent the SAM’s intent of significantly limiting the inmate’s ability to communicate (send or receive) information with intent to harm others.

The USMS/BOP/DF may permit the inmate to communicate with other SAM inmates orally only during certain predesignated times, the place and duration to be set by the USMS/BOP/DF. The inmate shall not have any physical contact with other inmates during this predesignated time and all such predesignated sessions may be monitored and/or recorded. Upon request of the FBI, a copy of the recordings will be provided by the USMS/BOP/DF to the FBI to be analyzed for indications that the inmate is attempting to pass messages soliciting or encouraging acts of terrorism, violence, or other crimes.

d. **Use of Interpreters/Translators by the USMS/BOP/DF** - Interpreter/Translator approval requirement:

i. The USMS/BOP/DF may use Department of Justice (DOJ) approved interpreters/translator as necessary for the purpose of facilitating communication with the inmate.

**LIMITED OFFICIAL USE**
SPECIAL ADMINISTRATIVE MEASURES (SAM)

Pursuant to 28 C.F.R. § 501.3

ii. No person shall act as an interpreter/translator without prior written clearance/approval from the USMS/BOP/DF, which shall only be granted after consultation with the FBI and USA/SDIN.

iii. Interpreters/translators utilized by the USMS/BOP/DF shall not be allowed to engage in, or overhear, unmonitored conversations with the inmate. Interpreters/translators shall not be alone with the inmate, either in a room or on a telephone or other communications medium.

a. Attorney\(^1\) Affirmation of Receipt of the SAM Restrictions Document - The inmate’s attorney (or counsel) — individually by each if more than one — must sign an affirmation acknowledging receipt of the SAM restrictions document. By signing the affirmation, the attorney acknowledges his or her awareness and understanding of the SAM provisions and his or her agreement to abide by those provisions, particularly those that relate to contact between the inmate and his attorney and the attorney’s staff. The signing of the affirmation does not serve as an endorsement of the SAM or the conditions of confinement, and does not serve to attest to any of the factors set forth in the conclusions supporting the SAM. However, in signing the affirmation, the inmate’s attorney and precleared staff\(^2\)

\(^1\) The term “attorney” refers to the inmate’s attorney of record, who has been verified and documented by the USA/SDIN, and who has received and acknowledged receipt of the SAM restrictions document. As used in this document, “attorney” also refers to more than one attorney where the inmate is represented by two or more attorneys, and the provisions of this document shall be fully applicable to each such attorney in his or her individual capacity.

\(^2\) “Percleared,” when used with regard to an attorney’s staff, or “precleared staff member,” refers to a co-counsel, paralegal, or investigator who is actively assisting the inmate’s attorney with the inmate’s post-sentencing proceedings, who has submitted to a background check by the FBI and USA/SDIN, who has successfully been cleared by the FBI and USA/SDIN, and who has received a copy of the inmate’s SAM and has agreed — as evidenced by his or her signature — to adhere to the SAM restrictions and requirements. As used in this document, “staff member” also refers to more than one staff member, and the provisions of this document shall be fully applicable to each such staff member in his or her individual capacity. A “paralegal” will also be governed by any additional DF rules and regulations concerning paralegals.

acknowledge the restriction that they will not forward third-party messages to or from the inmate.

i. The USA/SDIN shall present, or forward, the attorney affirmation of receipt of the SAM restrictions document to the inmate’s attorney.

ii. After initiation of the SAM and prior to the inmate’s attorney being permitted to have attorney-client privileged contact with the inmate, the inmate’s attorney shall execute a document affirming receipt of the SAM restrictions document and return the original to the USA/SDIN.

iii. The USA/SDIN shall maintain the original of the SAM acknowledgment document and forward a copy of the signed document to OHO in Washington, D.C., and the USMS/BOP/DF.

b. Attorney Use of Interpreters/Translators -

i. **Necessity Requirement** - No interpreter/translator shall be utilized unless absolutely necessary where the inmate does not speak a common language with the attorney. Any interpreter/translator shall be precleared.3

ii. **Attorney Immediate Presence Requirement** - Any use of an interpreter/translator by the attorney shall be in the physical and immediate presence of the attorney – i.e., in the same room. The attorney shall not patch through telephone calls, or any other communications, to or from the inmate.

iii. **Translation of Inmate’s Correspondence** - An attorney of record may only allow a federally approved interpreter/translator to translate the inmate’s correspondence as necessary for attorney-client privileged communication.

3 “P preclear,” when used with regard to an interpreter/translator, refers to an interpreter/translator who is actively assisting the inmate’s attorney with the inmate’s post-sentencing proceedings, who has submitted to a background check by the FBI and USA/SDIN, who has successfully been cleared by the FBI and USA/SDIN, and who has received a copy of the inmate’s SAM and has agreed — as evidenced by his or her signature — to adhere to the SAM restrictions and requirements.

The inmate shall be notified in writing of the seizure of any mail.

4. Communication With News Media

5. Religious Visitation

6. No Communal Cells and No Communication Between Cells

a. The inmate shall not be allowed to share a cell with another inmate.

7. **Cellblock Procedures**

The USMS/BOP/DF shall restrict access to commissary items or any other objects determined by the USMS/BOP/DF to be capable of being converted into dangerous instruments.

9. **Access to Mass Communications**

To prevent the inmate from receiving and acting upon critically timed information or information coded in a potentially undetectable manner, the inmate's access to materials of mass communication is restricted as follows:

a. **Publications/Newspapers -**

i. The inmate may have access to publications determined not to facilitate criminal activity or be detrimental to national security; the security, good order, or discipline of the institution; or the protection of the public. This determination is to be made by the USMS/BOP/DF, in consultation with the USA/SDIN.

ii. Sections of any publication/newspaper that offer a forum for information to be passed by unknown and/or unverified individuals, including but not limited to, classified advertisements and letters to the editor, should be removed from the publications/newspapers prior to distribution to the inmate.

Inmate - [Redacted]

iii. If restricted by the USMS/BOP/DF rules, access to a publication will be denied. If acceptable, upon delivery, the USMS/BOP/DF will review the publication and make the initial determination. If the FBI's expertise is required, the publication will be forwarded to the FBI for review. The USMS/BOP/DF will also forward the publication to the FBI if translations are needed to make that determination. (In these cases, the FBI shall respond to the USMS/BOP/DF within fourteen (14) business days.) The inmate shall then have access to the remaining portions of the publications/newspapers deemed acceptable, in accordance with USMS/BOP/DF policy.

iv. In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased publications/newspapers with other SAM inmates only after each publication/newspaper is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Publications/newspapers individually purchased by the inmate may not be shared with any other inmate.

b. Television and Radio - The inmate is authorized to have television and radio viewing and listening privileges, in accordance with standard and applicable USMS/BOP/DF policies and procedures.

c. Termination or Limitation - If the USMS/BOP/DF determines that mass communications are being used as a vehicle to send messages to the inmate relating to the furtherance of terrorist or criminal activities, the inmate’s access may be limited or terminated for a period of time to be determined by the USMS/BOP/DF.

10. Access to Books

The inmate may have access to all books that do not facilitate criminal activity or present a substantial threat to national security or the security, discipline, or good order of the institution. This initial determination is to be made by the USMS/BOP/DF and, if the USMS/BOP/DF determines that the FBI's expertise is required, the book(s) will be forwarded to the FBI for review. In conducting its analysis, the FBI will determine whether the book advocates or promotes acts of terrorism or violence and/or whether

LIMITED OFFICIAL USE
access to the book by this particular inmate would pose a substantial threat to national security.

In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased books with other SAM inmates only after each book is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Books individually purchased by the inmate may not be shared with any other inmate.

11. Transfer of Custody

In the event that the inmate is transferred to or from the custody of the USMS, BOP or any other DOJ facility, the SAM provisions authorized for this inmate shall continue in effect, without need for any additional DOJ authorization.

12. Inmate's Consular Contacts

The inmate, who is a citizen of a foreign country, shall be allowed Consular communications and visits, consistent with USMS/BOP/DF policy. The Consular contacts shall comply with the U.S. Department of State (DOS) Consular notification and access requirements. Prior to permitting any Consular contact, the FBI will verify the Consular representative’s credentials with the DOS.

CONCLUSION

The SAM set forth herein, especially as they relate to attorney-client privileged communications and family contact, are reasonably necessary to prevent the inmate from committing, soliciting, or conspiring to commit additional criminal activity. Moreover, these measures are the least restrictive that can be tolerated in light of the ability of this inmate to aid, knowingly or inadvertently, in plans that create a substantial risk that the inmate's

LIMITED OFFICIAL USE
SPECIAL ADMINISTRATIVE MEASURES (SAM)

Inmate - [redacted]

communications or contacts with persons could result in death or serious bodily injury to persons.

With respect to telephone privileges, the SAM are reasonably necessary because of the high probability of calls to co-conspirators to arrange terrorist or criminal activities.

With respect to mail privileges, the SAM are reasonably necessary to prevent the inmate from receiving or passing along critically timed messages. Although I recognize that eliminating the inmate’s mail privileges entirely may be an excessive measure except in the most egregious of circumstances, I believe that delaying mail delivery and allowing authorized personnel to examine a copy of the mail is sufficient at this time to adequately ensure that the mail is not used to deliver requests for, or to assist in, violent and/or terrorist activities. Under these procedures, the inmate can relay personal news to family members, even if delayed, but he may find it difficult or unwise to pass along restricted information.

To the extent that the use of an interpreter/translator is necessary, the government has the right to ensure that the interpreter/translator given access to the inmate is worthy of trust.

The SAM’s prohibition of contact with the media is reasonably necessary. Communication with the media could pose a substantial risk to public safety if the inmate advocates terrorist, criminal, and/or violent offenses, or if he makes statements designed to incite such acts. Based upon the inmate’s past behavior, I believe that it would be unwise to wait until after the inmate solicits or attempts to arrange a violent or terrorist act to justify such media restrictions.

The SAM’s limitations on access to mass communications are reasonably necessary to prevent the inmate from receiving and acting upon critically timed messages. Such messages may be placed in advertisements or communicated through other means, such as the television and/or radio. Although I recognize that eliminating the inmate’s access to such media may be an excessive measure except in the most egregious of circumstances, I believe that limiting and/or delaying such access may interrupt communication patterns the inmate may develop with the outside world, and ensure that the media is not used to communicate information that furthers terrorist, violent, and/or criminal activities.

FROM: Lanny A. Breuer
    Assistant Attorney General

SUBJECT: Extension of Special Administrative Measures Pursuant to 28 C.F.R. § 501.3 for Federal Bureau of Prisons Inmate: [redacted]

Federal Bureau of Prisons inmate (BOP) [redacted] has been convicted of various terrorism-related crimes, including [redacted]. Because of [redacted], the Attorney General placed [redacted] under Special Administrative Measures (SAM), originally effective [redacted] On or about [redacted] was sentenced to [redacted]. The SAM were most recently extended in [redacted] and expire on [redacted]. [redacted] is currently housed at the Administrative Maximum Penitentiary (ADX) in Florence, Colorado, where the SAM remain applicable.

In his letter of [redacted], the United States Attorney for the Southern District of New York (USA/SDNY) is requesting renewal of the SAM. The Federal Bureau of Investigation (FBI) concurs in this request. In reaching the conclusion that there is a substantial risk that [redacted] communications or contacts could result in death or serious bodily injury to others, the USA/SDNY cites [redacted]
SPECIAL ADMINISTRATIVE MEASURES (SAM) Pursuant to 28 C.F.R. § 501.3
Inmate -

Based upon information provided to me of the inmate's proclivity for violence, particularly his continued commitment to jihadist activity, and his potential to influence others, I find that there continues to be a substantial risk that communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. Therefore, I am requesting that you, pursuant to 28 C.F.R. § 501.3, continue to implement the SAM in order to restrict access to the mail, the media, the telephone, and visitors. The SAM will commence immediately upon expiration of the prior SAM authorization period and will be in effect for a period of one year, subject to my further direction.

a. Adherence to Usual United States Marshals Service (USMS), BOP and Detention Facility (DF) Policy Requirements - In addition to the below-listed SAM, the inmate must comply with all usual USMS, BOP, and non-BOP DF policies regarding restrictions, activities, privileges, communications, etc. If there is a conflict between USMS/BOP/DF policies and the SAM, as set forth herein, where the SAM is more restrictive than usual USMS/BOP/DF policies, then the SAM shall control. If usual USMS/BOP/DF policies are more restrictive than the SAM, then USMS/BOP/DF policies shall control.

b. Interim SAM Modification Authority - During the term of this directive, the Director, Office of Enforcement Operations (OEO), Criminal Division, may modify the inmate’s SAM as long as any SAM modification authorized by OEO:

i. Does not create a more restrictive SAM.
SPECIAL ADMINISTRATIVE MEASURES (SAM)

Pursuant to 28 C.F.R. § 501.3

Inmate - [redacted]

ii. Is not in conflict with the request of the USA/SDNY, FBI, or USMS/BOP/DF, or applicable regulations.

iii. Is not objected to by the USA/SDNY, FBI, or USMS/BOP/DF.

c. Inmate Communications Prohibitions - The inmate is limited, within the USMS/BOP/DF’s reasonable efforts and existing confinement conditions, from having contact (including passing or receiving any oral, written, or recorded communications) with any other inmate, visitor, attorney, or anyone else, except as outlined and allowed by this document, that could reasonably foreseeably result in the inmate’s communicating (sending or receiving) information that could circumvent the SAM’s intent of significantly limiting the inmate’s ability to communicate (send or receive) threatening or other terrorist information.

The USMS/BOP/DF may permit the inmate to communicate with other SAM inmates orally only during certain predesignated times, the place and duration to be set by the USMS/BOP/DF. The inmate shall not have any physical contact with other inmates during this predesignated time and all such predesignated sessions may be monitored and/or recorded. Upon request of the FBI, a copy of the recording will be provided by the USMS/BOP/DF to the FBI to be analyzed for indications that the inmate is attempting to pass messages soliciting or encouraging acts of terrorism, violence, or other crimes.

d. Use of Interpreters/Translators by the USMS/BOP/DF - Interpreter/Translator approval requirement:

i. The USMS/BOP/DF may use Department of Justice (DOJ) approved interpreters/translators as necessary for the purpose of facilitating communication with the inmate.

ii. No person shall act as an interpreter/translator without prior written clearance/approval from the USMS/BOP/DF, which shall only be granted after consultation with the FBI and USA/SDNY.

iii. Interpreters/translators utilized by the USMS/BOP/DF shall not be allowed to engage in, or overhear, unmonitored conversations with the inmate. Interpreters/translators shall not be alone with the inmate, either in a room or on a telephone or other communications medium.

2. **Attorney-Client Provisions**

   a. **Attorney\(^1\)** Affirmation of Receipt of the SAM Restrictions Document - The inmate’s attorney (or counsel) – individually by each if more than one – must sign an affirmation acknowledging receipt of the SAM restrictions document. By signing the affirmation, the attorney acknowledges his or her awareness and understanding of the SAM provisions and his or her agreement to abide by these provisions, particularly those that relate to contact between the inmate and his attorney and the attorney’s staff. The signing of the affirmation does not serve as an endorsement of the SAM or the conditions of confinement, and does not serve to attest to any of the factors set forth in the conclusions supporting the SAM. However, in signing the affirmation, the inmate’s attorney, and precleared staff,\(^2\)

As used in this document, “staff member” also refers to more than one staff member, and the provisions of this
acknowledge the restriction that they will not forward third-party messages to or from the inmate.

i. The USA/SDNY shall present, or forward, the attorney affirmation of receipt of the SAM restrictions document to the inmate's attorney.

ii. After initiation of the SAM and prior to the inmate's attorney being permitted to have attorney-client privileged contact with the inmate, the inmate's attorney shall execute a document affirming receipt of the SAM restrictions document and return the original to the USA/SDNY.

e. **Unaccompanied Attorney’s Precleared Paralegal(s) May Meet With Client** - The inmate’s attorney’s precleared paralegal(s) may meet with the inmate without the need for the inmate’s attorney to be present. An investigator or interpreter/translator may not meet alone with the inmate. These meetings may be contact or non-contact, at the discretion of the USMS/BOP/DF.

(4) If the USMS/BOP/DF/FBI or USA/SDNY determines that the inmate has used or is using the opportunity to make a legal call to speak with another inmate or for any other non-legal reason that would circumvent the intent of the SAM, the inmate's ability to contact his attorney by telephone may be suspended or eliminated.

h. Documents Provided by Attorney to Inmate - During a visit, the inmate's attorney may provide the inmate with, or review with the inmate, documents related to the inmate's criminal post-sentencing proceedings and/or material prepared by the inmate's attorney related to such proceedings, so long as any of the foregoing documents are translated, if translation is necessary, by a precleared interpreter/translator. Any documents not related to the inmate's criminal post-sentencing proceedings must be sent to the inmate in the mail and will be subject to the mail review provisions of subparagraphs 2.i. and 3.g. Documents previously reviewed and cleared for receipt by the inmate, and already in the inmate's possession at the outset of the visit, may be discussed or reviewed by the inmate and the inmate's attorney during the visit.

(3) A reasonable time, not to exceed sixty (60) business days for any mail where the federal government has reasonable suspicion to believe that a code was used, to allow for decoding.

v. Mail Seizure - If outgoing/incoming mail is determined by the USMS/BOP/DF or FBI to contain overt or covert discussions of or requests for illegal activities, the soliciting or encouraging of acts of violence or terrorism, or actual or attempted circumvention of the SAM, the mail shall not be delivered/forwarded to the intended recipient but referred to the FBI for appropriate action. The inmate shall be notified in writing of the seizure of any mail.

4. Communication With News Media

The inmate shall not be permitted to speak, meet, correspond, or otherwise communicate with any member or representative of the news media in person; by telephone; by furnishing a recorded message; through the mail, his attorney, or a third party; or otherwise.

5. Religious Visitation

a. The inmate shall not be allowed to engage in group prayer with other inmates.

b. If a USMS/BOP/DF- and/or FBI-approved religious representative is to be present for prayer with the inmate, the prayer shall be conducted as part of a contact or non-contact visit, at the discretion of the USMS/BOP/DF.
6. **No Communal Cells and No Communication Between Cells**

   a. The inmate shall not be allowed to share a cell with another inmate.

   b. The inmate shall be limited within the USMS/BOP/DF's reasonable efforts and existing confinement conditions, from communicating with any other inmate by making statements audible to other inmates or by sending notes to other inmates, except as permitted in Section 1.c. above.

7. **Cellblock Procedures**

   a. The inmate shall be kept separated from other inmates as much as possible while in the cellblock area.

   b. The inmate shall be limited, within the USMS/BOP/DF's reasonable efforts and existing confinement conditions, from communicating with any other inmate while in the cellblock area.

8. **Commissary Privileges**

   The USMS/BOP/DF shall restrict access to commissary items or any other objects determined by the USMS/BOP/DF to be capable of being converted into dangerous instruments.

9. **Access to Mass Communications**

   To prevent the inmate from receiving and acting upon critically timed information or information coded in a potentially undetectable manner, the inmate's access to materials of mass communication is restricted as follows:

   a. **Publications/Newspapers** -

      i. The inmate may have access to publications determined not to facilitate criminal activity or be detrimental to national security; the security, good order, or discipline of the institution; or the protection of the public. This determination is to be made by the USMS/BOP/DF, in consultation with the USA/SDNY.

ii. Sections of any publication/newspaper that offer a forum for information to be passed by unknown and/or unverified individuals, including but not limited to, classified advertisements and letters to the editor, should be removed from the publications/newspapers prior to distribution to the inmate.

iii. If restricted by the USMS/BOP/DF rules, a publication will be denied. If acceptable, upon delivery, the USMS/BOP/DF will review the publication and make the initial determination. If the FBI's expertise is required, the publication will be forwarded to the FBI for review. The USMS/BOP/DF will also forward the publication to the FBI if translations are needed to make that determination. (In these cases, the FBI shall respond to the USMS/BOP/DF within fourteen (14) business days.) The inmate shall then have access to the remaining portions of the publications/newspapers deemed acceptable, in accordance with USMS/BOP/DF policy.

iv. In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased publications/newspapers with other SAM inmates only after each publication/newspaper is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Publications/newspapers individually purchased by the inmate may not be shared with any other inmate.

b. Television and Radio - The inmate is authorized to have television and radio viewing and listening privileges, in accordance with standard and applicable USMS/BOP/DF policies and procedures.

c. Termination or Limitation - If the USMS/BOP/DF determines that mass communications are being used as a vehicle to send messages to the inmate relating to the furtherance of terrorist or criminal activities, the inmate's access may be limited or terminated for a period of time to be determined by the USMS/BOP/DF.

10. Access to Books

The inmate may have access to all books that do not facilitate criminal activity or present a substantial threat to national security or the security, discipline, or good order of the institution. This initial determination is to be made by the USMS/BOP/DF and, if the

USMS/BOP/DF determines that the FBI’s expertise is required, the book(s) will be forwarded to the FBI for review. In conducting its analysis, the FBI will determine whether the book advocates or promotes acts of terrorism or violence and/or whether access to the book by this particular inmate would pose a substantial threat to national security.

In order to avoid passing messages/information from inmate to inmate, the inmate shall be allowed to share institutionally purchased books with other SAM inmates only after each book is physically screened by staff to ensure that messages cannot be passed between the SAM inmates. Books individually purchased by the inmate may not be shared with any other inmate.

11. Transfer of Custody

In the event that the inmate is transferred to or from the custody of the USMS, USMS/BOP/DF or any other DF, the SAM provisions authorized for this inmate will continue in effect, without need for any additional DOJ authorization.

CONCLUSION

The SAM set forth herein, especially as they relate to attorney-client privileged communications and family contact, are reasonably necessary to prevent the inmate from committing, soliciting, or conspiring to engage in additional criminal activity. Moreover, these measures are the least restrictive that can be tolerated in light of the ability of this inmate to aid, knowingly or inadvertently, in plans that create a substantial risk that the inmate’s communications or contacts with persons could result in death or serious bodily injury to persons.

With respect to telephone privileges, the SAM are reasonably necessary because of the high probability of calls to co-conspirators to arrange terrorist or criminal activities.

With respect to mail privileges, the SAM are reasonably necessary to prevent the inmate from receiving or passing along critically timed messages. Although I recognize that eliminating the inmate’s mail privileges entirely may be an excessive measure except in the most egregious of circumstances, I believe that delaying mail delivery and allowing authorized personnel to examine a copy of the mail is sufficient at this time to adequately ensure that the mail is not used to deliver requests for, or to assist in, violent and/or terrorist activities. Under these procedures, the inmate can relate personal news to family members, even if delayed, but he may find it difficult or unwise to pass along restricted information.

To the extent that the use of an interpreter/translator is necessary, the government has the right to ensure that the interpreter/translator given access to the inmate is worthy of trust.

The SAM’s prohibition of contact with the media is reasonably necessary. Communication with the media could pose a substantial risk to public safety if the inmate advocates terrorist, criminal, and/or violent offenses, or if he makes statements designed to incite such acts. Based upon the inmate’s past behavior, I believe that it would be unwise to wait until after the inmate solicits or attempts to arrange a violent or terrorist act to justify such media restrictions.

The SAM’s limitations on access to newspapers, publications, television, and radio are reasonably necessary to prevent the inmate from receiving and acting upon critically timed messages. Such messages may be placed in advertisements or communicated through other means, such as the television and/or radio. Although I recognize that eliminating the inmate’s access to such media may be an excessive measure except in the most egregious of circumstances, I believe that limiting and/or delaying such access may interrupt communication patterns the inmate may develop with the outside world, and ensure that the media is not used to communicate information that furthers terrorist, violent, and/or criminal activities.
