The "rest" of the hearing package - the petition, sign-in sheets etc., was entered into EDMS this morning. Should be available tomorrow.

Thank you for sending the text of the transcript! Less than 400 pages, a quick light read. :)

We will start reviewing this immediately to see if we can address anything related to 401 or 404 in our opinion, and follow up with you or James Little as appropriate. Please do not hesitate to reach out if during your review we can assist in any way.

Thanks again,
