LDEQ issued the water quality certification for the Bayou Bridge Pipeline on Dec. 12. The application met all requirements for certification. The U.S. Army Corps of Engineers, the permitting authority, issued the permit. Questions about the permit should be directed to USACE.

Scott Guilliams came by saying the Army Corps of Engineers plans to put out a press release today around 3 pm and we may get calls. They are setting up a perimeter and expect public backlash.

We need to have a statement for any reporter inquiries. Anything we can say?
