Mr. Davidson –

Thank you for taking a few minutes to talk with me on this earlier. I'm hoping you can help me fast track the directive in the DHS [enforcement memo](#) to collect all fines and penalties from illegal aliens and those who facilitate their unlawful presence. HSI is doing a fine job of this in the worksite context, but it needs to happen in the removal context as well. This is the language:

F. Establishment of Programs to Collect Authorized Civil Fines and Penalties

As soon as practicable, the Director of ICE, the Commissioner of CBP, and the Director of users shall issue guidance and promulgate regulations, where required by law, to ensure the assessment and collection of all fines and penalties which the Department is authorized under the law to assess and collect from aliens and from those who facilitate their unlawful presence in the United States.

(b)(5)

(b)(5)

It's a bit of a lift, and it is complicated, but it's also a very focused ask.

(b)(5)

Please let me know what I can do to make this happen.

Thank you much.

Jon
