The next stage in supporting At-Large arrests will be the upcoming **Operation Palladium** that will start on Monday February 24th, 2020.

• Operation Palladium will run throughout the remainder of the calendar year 2020.
• It will consist of an additional (b)(5) HSI Agents that will be working with our At-Large teams in every AOR.
• There will be (b)(5) ERO-AORs that will have (b)(5); (b)(7)(E) + HSI Agents assigned.
   • (b)(5); (b)(7)(E)
• For those seven AORs you will no longer be required to conduct Rolling Ops.
• You will continue with At-Large enforcement throughout the year with a constant push to follow up on all leads.
• For the remaining AORs you will be assigned (b)(5); (b)(7)(E) HSI Agents to work with your At-Large teams.
• These (b)(5); AORs will still be required to conduct rolling operations during the scheduled week.
• We received the number of Special Agents from HSI for each AOR. This will be in the attachment to the Op Plan.
   • Processing instructions will also be attached to the Op Plan.
• Our goal from here is to set up the basic framework and let the FOD's and SAC's work out the logistics at the local level, as you guys know your AOR's best.
• HSI will be providing us the list of their Operations Managers by COB Friday, February 21, 2020 and ERO will be forwarding the local ERO POC's to HSI as well.
