Sorry to blast you with multiple requests this morning, but we have another. RIO Africa and IOD have been working towards a large SHRC to Cameroon and DRC. We are now in a position to identify a date and will need a draft itinerary.

We also worked with b)(6), b)(7)(C) on this, as I seems a RON in Dakar is most logical. He doesn’t think that will be an issue, with the exception of covid tests possibly being required for the crew.

Since we’re shooting for October 6 for the Ghana/Senegal/Liberia so maybe October 12, or a day that week, will work for this one?

Thanks again!

b)(6), b)(7)(C)
