

DECLARATION OF GHULAM MUHAMMAD

I, Ghulam Muhammad (A# [REDACTED]), hereby declare under penalty of perjury pursuant to 28 U.S.C. § 1746 that the following is true and correct.

1. I make this declaration based on my own personal knowledge and if called to testify I could and would do so competently and truthfully to these matters.
2. My name is Ghulam Muhammad. I am 48 years old and from Pakistan. I came to the United States in August 2024 to seek asylum due to threats from the Taliban. I have been in immigration detention since entering the United States and am detained at Eloy Detention Center in Eloy, Arizona.
3. I was not represented by counsel during my removal proceedings. On February 4, 2025, I was ordered removed to Pakistan.
4. I heard that the U.S. government has started transferring people with final orders to the military base at Guantánamo Bay, Cuba. I also heard the U.S. government is targeting people they think are criminals or gang members, even if they have no proof.
5. I am afraid of being transferred to Guantánamo. I believe that I am at risk of being transferred because I have a final order of deportation and am from Pakistan.
6. I do not want to be transferred to or detained at Guantánamo. I am afraid of what will happen to me when I get there. I heard that there is no ability to contact lawyers or family from Guantánamo. I want access to an attorney to help me get out of detention and figure out what options I have in my immigration case.
7. Everything in this declaration is true and correct to the best of my knowledge and recollection. This declaration was read back to me in Pashto, a language in which I am fluent.

Executed on the 28th of February, 2025 in Eloy, Arizona.
